Total	\$ 21,600	

2. What arrangements have been made for administering necessary medications to students while on this trip?

Per district guidelines, staff will coordinate with the clinic to collect and distribute medications, with record.

3. What arrangements have been made for dealing with emergency situations? Who will be responsible for all medical information sheets? How will the forms be stored and transported?

Staff (Elliott) will keep all medical records stored away in a lock box. Emergency situations will be addressed appropriately, based on the situation and the students' needs.

4. If four guides are involved, what liability insurance do they carry?

N/A

5. How is the trip related to the educational program of the district?

This trip allows ~~for~~ students to be civically engaged by participating in a major, state-level, legislative process.

6. In what ways will the students benefit? How will the district benefit?

Students benefit by honing critical thinking skills/leadership skills, and ~~collaboration~~ collaboration with others. The district benefits by being positively represented by the numerous high ranking bills towards BBTCSD so other gets.

7. How will the trip be evaluated to determine the extent to which these benefits were realized?

It will be evaluated by the conference awards presented to students

8. How many students in total? Are any students experiencing academic problems? What previous experience has the staff member had in conducting overnight or extended field trips? What other staff members will be going?

Approx: 30-40 students, all in good standing. Both Nate Elliott and Bonnie Monteleone are staff advising, both with years of experience on this trip.

9. How many chaperones, in addition to staff members, will be going? What are their names and affiliations with the students?

- N/A

10. Will any school days be missed? If so, how many? How will teachers be advised in advance that the students will be out of school? How will missed work be made up? What special assistance will be provided to students with academic problems?

1 school day and 1 inservice day will be missed. A week out, teachers will be advised via Gmail, a list of students going on the trip. Students will be responsible for missed work.

11. Estimated Cost to Organization and how is this trip funded? How are the funds collected and safeguarded? How will any shortfall be made up or excess funds used?

Estimated cost is \$18,000. Trip will be funded through collecting fees and possible fundraising. Funds will be collected by Nate Elliott and turned in via board policy. Shortfalls will be made up via funds available in existing accounts.
