RE: Recommendation to Award Contract

Project: **Hilton E. S. Demolition**
6812 Mill Road
Brecksville, OH 44141

Dear Mr. Brian Koss,

It is with pleasure that Architectural Vision Group, Ltd. (AVG) hereby recommends Pro Quality Demolition, Youngstown, OH for award of a General Contract to demolish the existing Hilton Elementary School.

AVG has investigated several of Pro Quality Demolition completed projects and personal references, and we find them to be well-qualified for our project. The Core Team has conducted a Scope Review with the contractor in which we examined their understanding of the scope of the project as well as their understanding of the contract requirements. No serious areas of concern were observed.

This contractor has also worked on other projects designed by AVG and we have had good experiences with their work.

The amount of the recommended contract award will be for the Base Bid, plus the Allowance. The total award will therefore be \$467,000.00. See included Bid Tabulation Form for breakdown of total award.

Very truly yours,

SYED ABBAS, AIA

President
