~~5136—CELLULAR TELEPHONES AND ELECTRONIC COMMUNICATION DEVICES~~

~~Possession of a cellular telephone or other electronic communication device (ECD), (e.g., laser pointers and attachments, paging devices/beepers, personal digital assistants (PDAs), and other devices designed to receive and send an electronic signal) by a student is a privilege, which may be forfeited by any student who fails to abide by the terms of this guideline, or otherwise engages in misuse of this privilege.~~

~~Students are prohibited from using cellular telephones or other electronic communication devices (ECD) or having them "On" during the school day. This includes lunch periods and passing periods, as well as on school sponsored trips and "behind the wheel" driver education classes or in school vehicles. "Using" refers to, not only the making and/or receiving of calls, but also using the cellular telephone or ECD for any other purpose (i.e., sending text messages, taking pictures, making recordings, etc.). Students also may not use cellular telephones or ECDs on school property or at a school sponsored activity to access and/or view Internet web sites that are otherwise blocked to students at school.~~

~~Cellular telephones or ECDs may not be "on" or otherwise used in classrooms, locker rooms, bathrooms, swimming pool, whether here or at another school district where a school activity or athletic event is occurring. This includes the use of the camera feature available with some models of cellular telephones.~~

~~A student may keep the cellular telephone or ECD "on" with prior approval of the building administration if the student has a special medical circumstance (e.g., an ill family member, or his/her own special medical condition).~~

~~Students participating in extra-curricular activities and athletics must contact their coach or sponsor for his/her rules involving cellular telephone or ECD use after school hours or on after school bus trips. Coaches and sponsors will set their rules and enforce consequences involving the use and/or misuse of these devices.~~

~~The Board of Education is not responsible for the loss, theft, damage, or vandalism to student cellular telephones or ECDs as well as other student property. Students and parents are strongly encouraged to take appropriate precautions, if students have cellular telephones or ECDs in their possession, to make sure the cellular telephones and ECDs are not left unattended or unsecured.~~

~~Using a cellular telephone or other ECD in an unauthorized manner or in violation of the policy, may result in loss of this privilege, additional disciplinary action (e.g., warnings, parental notification and conferences, suspension, expulsion), confiscation of the cellular telephone or ECD (in which case, the cellular telephone or ECD will only be released/returned to the student's parent/guardian after the student complies with any other disciplinary consequence that is imposed), and/or referral to law enforcement if the violation involves an illegal activity (e.g., child pornography).~~

~~Parents/guardians are advised that the best way to get in touch with their child during the school day is by calling the school office.~~

~~Students may use school phones with permission to contact parents/guardians during the school day.~~
