7455 - ASSET ACQUISITION AND DISPOSAL

Fixed assets are defined as those tangible assets of the District with a useful life in excess of one (1) year that the District intends to hold or continue in use over an extended period of time. Such fixed assets have an initial cost equal to or exceeding \$~~5,000~~^{1,000}. This threshold amount shall be reviewed every three (3) years, to determine whether modification to the amount is necessary.

Although some assets may not meet all of the criteria for "fixed" assets, they shall be identified as "controlled" assets and recorded in the same manner as other assets on the fixed asset system.

Acquisition

A purchase order shall be completed and submitted to the ~~Treasurer/CFO~~ ^{Director of Business Services} for approval.

Once approved, an equipment inventory acquisitions form will be sent to the originator.

Once completed and returned to the ~~Operations Coordinator~~ ^{Director of Business Services}, an inventory tag will be sent back with a copy of the requisition form.

All acquisition forms are ~~verified by the Operations Coordinator and entered into the fixed assets module in the accounting software~~ ^{forwarded annually to a property inventory contractor} for development of required reports.

Disposal

- A. A request for asset disposal (transfer) is to be submitted to the ~~Operations Coordinator~~ ^{Director of Business Services} for approval. After approval/denial of the request, a copy is returned to the originator for appropriate action.

Assets approved for disposal shall be subject to AG 7310.

The disposal of items requiring auction or public sale must be approved by Board Resolution prior to sale.

When an auction has taken place, the Treasurer shall prepare a list of assets sold and the amount of money received for each. Upon receipt of the list of assets sold, the ~~Operations Coordinator~~ ^{Director of Business Services} shall update the list of assets held for sale and the asset inventory list.

- B. Annually, the ~~Operations Coordinator~~ ^{Director of Business Services} shall prepare a master list of all entity assets, a report of assets purchased, and a report of assets disposed.

- C. As needed, but not less than annually, the **Operations Coordinator**~~Director of Business Services~~ shall review asset acquisitions and dispositions for the purpose of updating insurance coverage.
- D. Any evidence of lost, stolen, or damaged assets shall be immediately reported to the **Operations Coordinator**~~Director of Business Services~~. The **Operations Coordinator**~~Director of Business Services~~ shall investigate the matter and determine the appropriate action.
- E. Periodic physical inventories shall be conducted to account for the assets of the entity. The District shall adopt inventory guidelines to become a part of these procedures.
