INSTRUCTION TO THE STUDENT and NATURAL PARENTS:
This form must be filled out completely and accurately. The English language form must **BE FILLED OUT IN ENGLISH** and must contain all required stamps and signatures. If your doctor does not know English, your American Councils office will provide you with a local language form that the doctor can use. If the doctor fills out the local language form, return both that signed form, **AND** the translated, stamped, and signed English form along **WITH YOUR APPLICATION**.

A natural parent or legal guardian must complete and sign PART A, after PART B and PART C are completed. Your physician must complete **PART B**, and your dentist must complete **PART C**. After your health professionals complete Parts B and C, the student and parent must review the entire form to make sure nothing is missing. When you are certain that all parts of the form are complete and correct, sign and return it along with your application by the due date shown on **FORM 1**.

ACKNOWLEDGEMENT: I understand that:

- EMENT:** I understand that:
- The program does not cover costs associated with pre-existing conditions, routine check-ups, dental work (including orthodonture), or glasses. Students and natural parents are solely responsible for these costs.
 - If my child wears glasses and/or contact lenses I certify that they will bring an adequate supply for the program year.
 - If dental work required for my child is not completed **before** they depart for the United States, I understand that I am responsible for any costs related to said dental work **in** the United States.
- Signature: _____ Date: _____ Markers: YES ☐ NO ☐

VERIFICATION: Is there any information about your child's physical, mental, or emotional health that is not on this form? Mark one: YES ☐ NO ☐

- If yes, please explain on a separate piece of paper and attach it to this form.

By signing this I acknowledge that I have read and understand the points above. I also certify that the information *in or attached to* this form is accurate and discloses **ALL** conditions and medications that I am aware of.
