Megan has completed several long term assignments at BBHES.

Complete at least one verbal reference check (Preferably the candidate's current supervisor). List the reference(s) and a summary of relevant information.

I have had the opportunity to observe Megan in the classroom. Her calm and nurturing demeanor in the classroom puts our youngest learners in good hands. Megan understands her students' needs and gives them the individualized support each one needs. She has strong classroom management and works to meet all students where they are. Megan fosters a warm, welcoming environment where students feel safe, valued, and eager to learn. She

collaborates well with her team, communicates effectively with families, and consistently reflects on her practice to grow professionally. Her dedication to early childhood education is evident in the thoughtful, engaging lessons she designs and her genuine connection with each child.
