Other Qualifying Experiences

Amanda is student focused and all responses centered around students. She has a passion for teaching and loves kids. Her experiences will bring added perspective to the second grade team. I'm excited to see what Amanda can bring to assist with PLCs and data conversations.

Complete at least one verbal reference check (Preferably the candidate's current supervisor). List the reference(s) and a summary of relevant information.

Jill Frimel, building principal shared that Amanda had the highest growth in the entire third grade in Garfield Heights. She is data driven and uses the data everyday to move students. She is compassionate and kind to all students and

	colleagues. She is an asset to their building and doesn't want to lose such a wonderful teacher.
