6610 - **STUDENT ACTIVITY FUND**

It is the purpose of this policy to establish financial controls for the administration of the normal, legitimate activities of the student body organization.

For purposes of this policy, a "student activity fund" may include, but not be limited to activities such as co-curricular and approved extra-curricular activities.

Each activity covered by this policy must be recognized by the Board of Education before monies can be collected or disbursed in the name of said activity. Any and all proposed expenditures from a student activity fund must be approved by the Board or its designee prior to disbursement and must serve a valid and proper public purpose.

The Superintendent/designee is directed to obtain annually prior to the start of the new school year a list of student activities with a brief description of their objectives, activities, and limitations of each fund.

The Board authorizes the maintenance of approved student activity funds.

The Board authorizes the Treasurer/CFO to act on its behalf to review and approve each expenditure from a student activity fund prior to disbursement. In approving an expenditure, the Treasurer/CFO or designee shall determine that it is related to achieving one (1) or more of the stated purposes for which the student activity has been organized and will serve a valid and proper public purpose.

A charitable donation may be made to an organization or individual in accordance with the Treasurer/CFO's guidelines for activity fund expenditures.

An expenditure shall not be approved if it accrues to the personal benefit of a member of the staff or a member of the student group. Monies are not to be disbursed to a school class or group for any activity or event that will occur after the students have graduated.

Fundraising Fund-raising for all student activities will be in accordance with Board Policy 5830 and Policy 9700.

All monies accumulated in the account of a specific class or activity will, upon the discontinuance of the activity, be disposed of in accordance with the recommendation approved by the Superintendent.

The Treasurer/CFO shall implement administrative guidelines which will ensure that all student activity funds are managed, recorded, and deposited in accordance with law and sound fiscal practice.
