The Policies and Administrative Guidelines are periodically updated in response to changes in the law and other circumstances. Therefore, there may have been changes to the documents reviewed in this Handbook since it was printed in the summer of 2012. Please contact your building principal if you have a question or require additional information about a specific issue.

Communication between home and school is extremely important to ensuring a positive and productive learning environment for all students. Should you have any questions, please feel free to call the office.

All parents are encouraged to join the **Parent-School Organization (PSO)** and support its many endeavors and activities that directly benefit Hilton School children. In addition, parents of our new families are encouraged to register to vote. Voter registration forms are available in the office.

Principal, Hilton School

RECENT HISTORY OF HILTON SCHOOL

Hilton School was opened in 1967 and is situated on 28.9 acres. The building has 50,000 square feet and twenty-five learning stations. It also has three courtyards and Hilton is the newest of the three elementary buildings. The first principal was Mr. Carl Hager (1967-1980). Next was Ms. Linda Huntley (1980-1983), and she was followed by Philip Hastings (1983-1985). The fourth principal was Mr. Nick Carpas (1985-1992) and Mr. Herb Bradford served as building principal from 1992-1997. Sandy Hendricks was the sixth principal of Hilton School for eleven years from 1997-2008. The seventh, Dr. David Martin, is the current principal.

Last year, the Hilton PSO in partnership with BBHCSD built a new playground for Hilton students. Opening the new playground in late May of 2015 was an exciting time for Hilton! All of our energy and efforts that went into fundraising, planning, designing, and constructing the new playground for our children were well worth it. All the Hilton children now have a playground where ***"All kids are stronger when they play together!"*** On behalf of Hilton Elementary School, I invite all children (and adults!) to come out and play on Hilton's new playground! It's got everything: A fly spinner, shade, spider web climber, omni-spin, slides, swings, monkey bars, and a zip line! Yes a zip line! (Can you make it from platform to platform?) 2016-2017 will be another fabulous year for Hilton! See you on the playground!

EQUAL OPPORTUNITY

(for Parent/Family Handbook)

The Brecksville-Broadview Heights City School District Board of Education affirms its commitment to provide an equal educational opportunity to each of its students. Students have the right to be free from discrimination on the basis of race, sex, marital status, pregnancy, national origin, citizenship status, physical disability, political activity, religion, creed, or opinion in all decisions affecting admissions; membership in school-sponsored organizations, clubs or activities; access to funds, academic evaluations or any other aspect of school-sponsored activities. Any limitation with regard to participation in a school-sponsored activity will be based on criteria reasonably related to that specific activity.

On the following pages, you will read Hilton's *Guidelines for Success*. These *Guidelines for Success* will be taught explicitly to all students with the expectation that they will be followed for the success of all students. This matrix will be posted in all settings of the school as a reminder for students and staff.

GENERAL INFORMATION

SCHOOL PHONE: You may leave a message on voice mail 24 hours a day
(440.740.4600)

SCHOOL HOURS:	Half Day Kindergarten, Daily	1:00-3:40 PM
	Grades ADK and 1-3, Daily	9:25 AM – 3:40 PM

The **school day begins at 9:25 AM.** Children are **permitted in the building at 9:10 AM** when supervision begins. Please do not drop off your child before this time.

School ends at 3:40 PM. At this time all children who are walking home and those whose parents arrive to take them home are dismissed. Children who ride the bus wait in their classrooms until their bus is called. Normally, all buses depart school by 3:55 PM.

ATTENDANCE

It is important that every child develops a sense of pride in daily attendance and promptness. Regular attendance is vital to school success. The Brecksville-Broadview Heights Board of Education has adopted a policy dealing with attendance. The important areas that affect elementary students are the following.

Absence Procedures - If your child is absent, you must notify the school office (440.740.4600) by 9:00 AM. You may leave a message on voice mail at any time. If you fail to do so, we will attempt to contact you at your home or office to verify the absence. Guidelines regarding Board adopted policy state that absences will be excused for illness, death in the family, religious holidays and medical appointments. Any other absences will appear on the report card as an unexcused absence. When a student is absent from school because of a doctor appointment, an appointment slip from the doctor can be turned into the main office when your child returns to school.

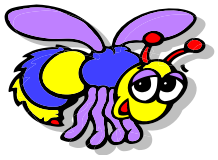

Tardy Procedures- A child who arrives at school more than one hour after the opening of school will be considered absent for one-half (1/2) day. Leaving school more than one hour prior to dismissal is considered one-half (1/2) day absent.

9:25-10:25	Tardy
10:26-12:35	One-Half Day Absence
12:36- 2:40	One-Half Day Absence
2:41- 3:40	Early Dismissal

Late Arrival Procedures - Students who are late to school must check in at the office prior to going to the classroom. They will be issued an admittance slip, which must be presented to the classroom teacher. Students arriving at 10:25 or later will be marked absent a half-day. Students leaving school at 2:40 or earlier will be marked absent for a half-day. Parents will be notified by mail of excessive tardiness, and a copy of the notification will be sent to the Central Office.

Early Dismissal Procedures -"Early Dismissal" involves a student's leaving school (absent from school) before the end of the school day. For purposes of attendance record keeping, all instances of tardiness and early dismissal will be reflected under the "Tardiness" designation on the report card. A student with any early dismissal or tardy will not receive perfect attendance.

Planned Absence- On rare occasions, parents may find it necessary to remove children from school for a family trip. Although such trips are sometimes necessary, the school does not sanction them. If your child must be absent from school, notify your child's teacher a week in advance. A planned absence form will be sent home. Complete the form and return it to the office. Specific classroom work and homework will not be sent home prior to a planned absence. However, general guidelines regarding what would be covered during the student's absence can be provided by the teacher. Upon your return, please meet with your child's teacher to determine the assignments that will need to be completed and when each will be due. Failure to complete missed assignments will result in zero credit for grades on the report card.

PRIVATE TRANSPORTATION - ARRIVALS AND DEPARTURES

Parents will be required to send a note to the teacher excusing their child from school during school hours for dental/doctor appointments, etc. The note must include:

1. The first and last name of the student.
2. The day and time of the absence.
3. The name of the adult designated to pick up your child if you are making that arrangement.

Please come to the office at the appropriate time, and we will call the child from the classroom to the office. Students will not be released to adults from the classroom. All

students leaving the building during school hours must be signed out in the office. **If you designate another adult to pick up your child, it is essential that your note includes the name of the adult responsible.** Students will not be released to unauthorized adults.

If you plan to pick up your child at the end of the day, please send a note with your child in the morning. Your child will be called to the office. If an emergency arises and you have not sent a note, please call the office **before 3:00 PM** so that the child may be notified of the change. Please do not call at the end of the day except for emergencies. This is an extremely busy time of the day and messages are not always received in time to intercept a child. Plan ahead so family plans and appointments can be accommodated.

Our security procedures require that you buzz the front door and state your name and business. All visitors need to report to the office and pick up a visitor's badge.

When children are being picked up or dropped off at school, parents are requested to park away from the bus-loading and fire zones. This will allow our children to enter and exit the buses in a

safe manner. Parents dropping off their children in the morning between 9:10 AM and 9:25 AM are asked to pull into the front driveway turn around area and allow students to exit on the sidewalk side. The speed limit in the school zone and on school property is 20 mph when the caution light is flashing. Parent cooperation is extremely important.

REGISTRATION INFORMATION

RESIDENCY

An Affidavit of Residency is required to be filled out to register a child into the district. Residence verification must be brought and shown to the REGISTRAR at the time of registration as follows:
OWNERS of dwellings- any **2 ORIGINAL** items listed:

Tax Bill Insurance Policy on Dwelling Paycheck Stub with Address
Home Mortgage Coupon Purchase Construction Contract Utility Bill

TENANTS of a building need to bring a copy of your current Lease Agreement PLUS one of the above forms
OR
If you reside with a resident of Brecksville-Broadview Heights, the owner or tenant of the property must complete the Affidavit of Residency and provide 2 proofs of residency-OR- a signed lease agreement.

TEMPORARY RESIDENCY

Each year a number of parents enroll their children in our district before they have actually moved within our boundaries. These children may attend our schools tuition-free for 90 days. After that, tuition is charged each month for each child. Students beginning the fourth quarter and then moving out of the district may complete the school year without being charged tuition. Families in either of the situations above should contact the school office for clarification.

HEALTH REQUIREMENTS FOR ALL STUDENTS

HEALTH SERVICES

A school nurse/health aide is in the clinic for a portion of the school day to address the physical and emotional health of students. Health appraisal activities at various grade levels include: vision screening and hearing screening at grades K, 1, and 3, immunization records check, and kindergarten screening. The District Health Services Coordinator is on duty each student day within the District.

STATE LAW REQUIRES THAT ALL STUDENTS HAVE EMERGENCY MEDICAL AUTHORIZATION COMPLETED AND SIGNED BY A PARENT OR GUARDIAN ON FILE IN THE SCHOOL OFFICE.
IN ADDITION THE STATE HEALTH DEPARTMENT REQUIRES THAT ALL STUDENTS HAVE EVIDENCE OF HAVING BEEN ADMINISTERED THE FOLLOWING IMMUNIZATIONS:

- DPT (diphtheria, pertussis, tetanus) - Kindergarteners- 5 doses if the 4th dose was given before the 4th birthday. Grades One through Twelve- 3-4 doses (for 7yrs and older a 4th dose is not required if the 3d dose is Td.
- Polio- Kindergarteners-4 doses if the 3d dose was given before the 4th birthday. Grades One through Twelve- 3 doses.
- MMR (measles, mumps, rubella)-2 doses- the first dose given on or after the first birthday. The second shot must be given at least 28 days after the first dose.
- Hepatitis B- all 3 shots Grades K-6. Grades 6-12-not required.

According to Section 3701.13 and 3313.671 of the Ohio Revised Code, it will be necessary to exclude from school all pupils who have not been adequately immunized by the 15th day of school entrance.

Please complete the Health questionnaire information in InfoSnap no later than 5 days after the first day your child attends school. Pupils entering kindergarten must have this information available for the school no later than the first day of school.

Medical authorities and school educators urge that every child have a complete medical examination before entering school in order that health issues, if present, may be corrected and the child be physically ready to accept all the advantages that education has to offer. Parents/Guardians will be provided with an appropriate form to complete in regards to this examination. Parent/Guardians are encouraged to obtain their child's physical on or before the first day of school.

STUDENT INFORMATION

STUDENT INFORMATION.

The district uses an on-line program to assemble information regarding your student(s). Every family will be receiving a letter informing them of their InfoSnap code. Once you access the site, you will be asked to enter information such as emergency contact, sign-off for the Family Handbook, emergency medical authorization, photo release/email release, etc. You will have approximately two weeks after the school year begins to complete this task. The system will retain the information as it is entered initially and only changes need to be entered, if so needed, as time progresses.

This is an attempt to save time for our families and the information does not have to be repeatedly supplied every school year.

STATUS CHANGES

Please notify the school office of the following changes:

- Home phone number(s)/Cell Phone number(s)
- Home address
- Emergency contact's name, number (including area code)
- Work phone number, either or both parents and area code(s)
- Marital status
- Custody of children
- E-mail address

KINDERGARTEN REGISTRATION

A child entering kindergarten in September must be five years of age on or before September 30 of the year he/she enters school. A parent or guardian must register the child. (See "Enrollment Procedures.")
Registration packets will be available in February, and the screening is held in the spring at the home school that the child will attend in the fall.

OPEN ENROLLMENT

The Board of Education permits students to apply for attendance at the school of their choice within the school district. Applications of students living outside a school's attendance area shall be considered for enrollment in a specific school based on class size and building capacity. Please contact the school office if you are interested in an Intra-district Open Enrollment application. Completed forms must be submitted to the Director of Curriculum and Instruction by June 15th. The parent and principal will be informed of the intra-district enrollment decision one week prior to the beginning of school. If approved, transportation is the responsibility of the parent.

WITHDRAWALS

Anyone planning to move should notify the office as soon as his or her plans are definite. The student's new address and the name and address of the new school are needed. School records of the child will be mailed to the receiving school upon the written request of the parents or the new school.

GENERAL OPERATIONS

BEEKEEPERS – BEFORE/AFTER SCHOOL CARE

BeeKeepers is a school age child care program that is owned and operated by the Brecksville-Broadview Heights City School District licensed by the Ohio Department of Education. It is designed to ensure a safe, healthy, enjoyable environment for the children while incorporating enrichment activities and the comfort of familiar surroundings. The program is paid for by the families who use the services and is of no cost to the taxpayer.

The program is available to children in kindergarten through eighth grade. Kindergartners are able to participate in the morning/afternoon program adjacent to their school days. The K-3 BeeKeepers

programs use a thematic approach providing activities including indoor and outdoor play, puzzles and games, arts and crafts, and quiet areas for homework, enrichment worksheets, and reading. If the programs are not full, space is available for drop-ins. Reservations and payments must be made in advance.

BeeKeepers Coordinator, Linda Hemperley (440.740.4140)
BeeKeepers Fax (440.740-4104)
Please check the BBHCSD Calendar for contact names and numbers for specific buildings.

CAFETERIA

The Brecksville-Broadview Heights Schools Food Service Department uses a Point of Sale Program. This will allow families to pay for meals in advance so students won't need to worry about carrying and losing cash or tickets. It also eliminates overt identification of students who are eligible for free or reduced price meals. Identification is complete when students enter their confidential five-digit pin number on a key pad located at each cashier's station and their picture comes up on a screen.

Students must memorize their confidential pin numbers so they can enter their code to purchase lunches or milk. We urge you to take advantage of this system by sending a check or money order for the time period of your choice (monthly, bi-monthly, quarterly, yearly). This prepayment system is available for full meals or for the purchase of milk for "packers."

Deposits: You may send in deposits in an envelope marked "CAFETERIA." Online payments can be made as well. Students will give future payments to the cashier as they go through the lunch line. Any money not spent by the end of the year will "roll over" and be available for your child's use the following school year, as long as your child remains in our district. Amounts greater than $10.00 will be refunded to students who leave the district.

Should you need access to your child's account to verify his/her purchases, you may request a report by calling the Food Service office at 440-740-4760 or 440-740-4761.

Borrowing: Students who do not have lunch money or money in their accounts and need to borrow will be given the following lunch: substitute entrée, vegetable and fruit of the day, and milk, for $3.00. Students must pay back the money owed the following day, in the morning, in the kitchen.

Visitors: Parents are welcome to have lunch with their children. Please call the school before 9:30 to reserve a lunch. Come to lunch with your child anytime October through May or on a special family occasion. (Major holiday lunches have time constraints, as well as, specialty lunch times for our seniors. Please avoid these times.) If you have any questions, please call the school office.

DRESS REQUIREMENTS

Proper dress and grooming are extremely important in fostering the positive school environment. No uniform standard of dress is required in the elementary schools. However, items of apparel, accessories, or appearance that could jeopardize the health and/or safety of the individual or cause a disruptive influence are not to be worn.

The School District Dress Code provides the opportunity to wear "appropriate" shorts to school from April 1 through October 31 or during extreme heat when notice is given by the office. "Appropriate" shorts are defined as dress, Bermuda, or walking shorts. Students are not permitted to wear athletic, spandex/lycra, cut-offs, torn, or short shorts. Halter tops, tank tops, and bare

midriff shirts are not permitted. Shirts with questionable statements or slogans printed on them will not be permitted. Sport sandals, aquatic sandals or heels are not appropriate for school. Closed-toed shoes are safer both for the classroom and outdoor activities.

Coloring hair in unnatural hues and the wearing or make-up can be a distraction for students at this age level. Please save this experience for a more appropriate age.

Any student who is dressed inappropriately will be referred to the administration. Final decisions concerning standards of grooming will rest with the administration.

DRESS REQUIREMENTS FOR PHYSICAL EDUCATION

- Shorts - any color allowed (no cut-offs)
- Shirt or blouse (preferably short sleeves)
- Tennis shoes
- Sweat suits - optional
- Kindergarten - tennis shoes only

All children are expected to wear proper gym attire as requested by the physical education instructor.

FEES

Student fees are collected, as allowed by state law, to help defray the cost of materials and supplies used by the students. Funds collected are used for art supplies, workbooks, etc. A fee notice indicating the various charges is sent home early in the year. Checks should be made payable to the school. Online payments may be made for school fees. Special arrangements can be made with the principal to assist any family whose financial resources would be unduly strained by paying the student fees.

FIELD TRIPS

Each year, field trips are planned to enhance students' learning experiences. Permission slips are sent home to parents with the information about the trip and to give consent for their children to participate. When there is an admission fee, parents are asked to pay the cost. Parents are asked to return the signed permission slips and fee as soon as possible to aid in the processing of trips. A student without parent's permission will not be able to participate and will stay at the school. Teachers, with the assistance of the room parents, will ask for volunteers to accompany classes on field trips. The number of volunteers required is determined by the nature of the field trip and the destination's supervision requirements. Preschoolers are not permitted to attend field trips. Field trips may be curtailed or restricted in years when the district is experiencing financial difficulties.

HOME- SCHOOL COMMUNICATION

Home-school communication is vital to the success of each child. The entire staff works diligently to keep parents informed. The following are some of the ways with which we keep you informed:

PARENT- TEACHER CONFERENCE: Parents of pupils in grades K-3=may be invited to school for a conference with the teacher at least once during the school year. Either the parent or the teacher may initiate conferences at any time during the school year. The official school calendar provides two evenings in November that are set aside for parent-teacher conferences. We encourage communication between parents and teachers throughout the school year.

MEET and GREET NIGHT: Early in the school year parents are invited to our annual Meet and Greet Night. Parents are introduced to their children's classroom teachers, visit classrooms, and learn about curriculum and procedures for the school year.

OPEN HOUSE: Parents and students are welcome to school to visit informally with teachers and to view materials and student work in the classrooms. The dates for the Open Houses are available for review through the school web site.

.

SCHOOL WEB SITE: The Brecksville Broadview Heights School District has a website that outlines district events. Each building page is updated on a regular basis. The website address is: www.bbhcsd.org

LOCAL ACCESS CABLE: Information and programs highlighting our students can be found on Channel 22 in Brecksville and Channel 74 in Broadview Heights.

PSO IFORMATION: is available on-line via the school web page or at the Chippewa PSO Facebook page.

LOST AND FOUND

All items of clothing or belongings should be **clearly marked with your child's name.** Lost articles are returned to the lost and found bin. Money and valuables are turned in to the teacher or supervisor when the article is found. Parents should check the lost and found periodically for their children's belongings to identify missing clothing or items.

No money or valuables should be stored in the lockers or desks. The school cannot be responsible for money or other valuables that have been lost or misplaced.

PARTIES

Four classroom parties are planned during the school year; Halloween, December holiday, Valentine's Day, and end of the year party. Room mothers will request parents to contribute a nominal fee to cover the cost of refreshments and activities. Please inform classroom teachers of any food allergies your children have to avoid reactions to party snacks and foods.

BIRTHDAYS - Parents are welcome to bring in treats for their children's birthdays. Children with summer birthdays may participate, too. Contact the classroom teacher to arrange a date for the treats. In all cases, contact classroom teachers first to be aware of any allergy restrictions in the classroom.

PETS

Occasionally, students wish to bring a pet to school in order to add to the learning experience in their classrooms. Permission by the classroom teacher must be given before bringing a pet to school. Animals are not permitted on buses, must be on a leash or in a cage when entering the building, and should not be in the lobby area during arrival or dismissal time.

PLAYGROUND AND RECESS

Recess on the playground allows time for students to expend some energy, exercise their bodies, and get fresh air and sunshine. Safety is of utmost importance. Thoughtfulness, courtesy, and common sense, along with constant supervision from the playground aides and parent volunteers prevent needless accidents. Specific playground rules are posted and reviewed with students by the classroom teachers on the first day and week of school and periodically as needed. Students who choose not to follow playground rules will have "time outs," lose playground privileges or recess, and may receive a citation.

Each child should be sent to school with the thought that outdoor activity is part of the daily program. Students are expected to participate in outdoor recess unless excused by a physician with a written note from the parent. If children need to stay in more than two days, then a note or fax from the child's doctor is required. It is imperative that warm clothing such a gloves, hats, and boots be worn during cold weather months. When the weather is inclement, recess will be held inside. Students are assembled and involved in quiet activities under the supervision of an aide and parent volunteer.

PARENT-SCHOOL ORGANIZATION (PSO)

Our PSO is very active and valued in the learning community. The goals of this organization are to promote the welfare of children and youth in the home, school, church and community, to bring about a closer relationship between the school and home, further cooperation between all so that children can learn more effectively, and to secure adequate laws for the care and protection of all children.

The PSO sponsors many programs along with other forms of child-related activities requiring cooperation among staff, parents, and students. The PSO seeks your support, volunteerism, and active participation in all their events, activities, and involvement programs.

SAFETY PATROL

The school safety patrol is made up of third grade students. The Safety Patrol assists in maintaining order at various crossing points both inside and outside the building as well as at bus stops during dismissal times. Students are expected to listen and follow directions given by safety patrol members.

SCHOOL PICTURES

All students have their photographs taken during fall school picture day. These photos are used in our annual memory book, which is distributed on a pre-paid basis in May. Candid photos are taken throughout the year and used in these annuals. Occasionally, photographers from local newspapers and TV stations come to take pictures of school activities and events. Some of these are published and used on TV. If you do not wish to have your child's photo used in this manner, please complete the appropriate photography form located in the InfoSnap site.

TECHNOLOGY AND STUDENTS

Students have access to computers in their classrooms, the media center and the computer lab. Students only use computers with the direction of staff. On occasion, students will use the Internet for research under the direct guidance of their teachers or another adult. The school's Internet access is through the district's A-Site called LNOCA. This site automatically provides and updates filters for the sites that are not appropriate for students. Therefore, the staff feels very confident with students using the Internet for academic purposes.

TELEPHONE

The school does not encourage students to call their parents for items they have forgotten to bring to school. We encourage growth in a student's responsibility to organize belongings the evening before so he/she comes to school prepared. Cell phones are not permitted to be used by children while at school or on the bus.

CELLULAR TELEPHONES AND ELECTRONIC COMMUNICATION DEVICES

Possession of a cellular telephone or other electronic communication device by a student is a privilege, which may be forfeited by the student if s/he turns it on, uses it or allows it to be visible during the school day or on school-sponsored trips. Prohibited uses of the devices during specified times includes making and/or receiving calls, sending text messages, taking pictures and/or making recordings.

TOYS FROM HOME

Children's toys from home are not permitted in school or on the buses. This includes electronic games, collectables such as cards, and outdoor toys. These items cause the loss of instructional time on the part of teachers and learning time for students due to disagreements, trading, bullying and accidental or intentional breakage. Check your children's book bags from time to time for "stowaways."

USE OF THE BUILDING (See Board Policy 9150)

Community organizations may use school facilities when school is not in session or being used for school activities. Contact the Business Office at the Education Center, 440-740-4000, for information. School facilities may be reserved through the "School Dude" scheduling program which can be accessed through the District portal page.

VISITORS (See Board Policy 9150)

Visitors are always welcome in our school. They must sign in at the office immediately upon entering the building and pick up a visitors badge. After signing in, the badge must be worn at all times while in the building. It should be returned to the office at the end of the visit.

CLASSROOM VISITATION POLICY

There is a district policy for visiting classrooms. The visit may be up to 30 minutes in one classroom. The teachers at each grade level alternate visitations. Bringing toddlers to classroom visitations is not permitted. Please call the office if you would like to make arrangements or need additional information.

DISTRICT SERVICES

The Director of Curriculum and Instruction and the Director of Pupil Services have responsibilities for many areas of a child's academic growth and well-being. There are various specialties and specialists at the elementary school level to accommodate your child.

- Gifted Program – Highland Drive Elementary School has a magnet program for grade 3.
- School Guidance Counselor
- Intervention Program – "Intervention Specialist" in reading
- Educational Assistants – Assist within the classroom for children with special needs
- Learning Disabilities (LD)/Resource Room/Inclusion – Resource Teacher or Special Education Teacher, work with students in the resource room and/or in the classroom
- Psychological Services – School Psychologist
- Speech and Language Services – Speech and Language Pathologist (SLP)
- "Response to Intervention" Team

GIFTED (CHALLENGE) PROGRAM

The Gifted Program was developed to meet the needs of children identified as having academic talents and abilities. The third grade program at Highland Drive Elementary School services students from the three elementary schools. Students are eligible for this program based on receiving a superior cognitive score on the district approved abilities test.

SCHOOL GUIDANCE COUNSELOR

Each elementary building has a guidance counselor available during the week. The responsibilities of the counselor are detailed in a district-wide, K-12 Guidance Plan. The counselor will work with individual students, small groups of students with similar needs, and provide class-wide instruction. In addition, the counselor will work with parents, teachers, and other staff toward the benefit of all students and the school.

SCHOOL PSYCHOLOGIST SERVICES

A school psychologist is available two days every week at each of the elementary schools. Students may be referred to this professional by parents or teachers. Parental permission is required before the psychologist can test any students. The school psychologist also provides short-term counseling services to students experiencing social or emotional difficulties. Parents are encouraged to contact the psychologist if their children are having significant problems requiring intervention.

SPEECH/LANGUAGE SERVICES

The speech and language pathologist (SLP) holds small group sessions to assist students, who have been identified as having speech, receptive or expressive language, and/or pragmatic language skills issues. Pragmatic language skills are those that entail maintaining eye contact, taking turns while speaking, etc. Teachers or parents may refer students to the SLP. Written parental permission must be obtained before testing by the speech and language pathologist begins. An Individualized Education Plan (IEP) is developed for each student who qualifies for services.

RESPONSE TO INTERVENTION TEAM

A building-based team is available which provides assistance to teachers and learners. The team varies in composition dependent upon the issue that is presented. The meetings focus on a student's talents, strengths and needs. The process the team uses is based on the Response to Intervention model.

INTERVENTION SPECIALIST

The intervention specialist works with children who are functioning academically below grade level or struggling in language arts and/or math. Students are identified though achievement test results and data that is taken and analyzed on a regular basis in formative and summative assessments. Students receive intervention in the classroom or in the specialist's room for up to 30 minutes a day, five days per week.

SPECIAL EDUCATION SERVICES

The special education teacher provides specialized instruction to students with identified learning differences under Individuals with Disabilities Education Improvement Act (IDEIA). Qualifying students have an IEP (Individual Education Plan) detailing educational goals and objectives. Students may spend a portion of their day receiving individualized instruction in a small group setting in the resource classroom or may be served by a specialist in an inclusion setting in the homeroom classroom depending on the needs of each student.

TESTING PROGRAM

Accelerating student achievement and growth is important to us at Brecksville-Broadview Heights. Assessing student periodically ensures that we can remediate and enrich students when appropriate. The following assessments are administered at the elementary level:

Kindergarten	I-Ready (Math and Language Arts Benchmarking Assessment)
	KRA (State Kindergarten Readiness Assessment)
First	I-Ready (Math and Language Arts Benchmarking Assessment)
Second	I-Ready (Math and Language Arts Benchmarking Assessment)
	Otis Lennon School Abilities Test (**Olstat**)
Third	I-Ready (Math and Language Arts Benchmarking Assessment)
	English Language Arts (Fall and Spring State Assessment)
	Math (Spring State Assessment)

SCHOOL HEALTH

HEALTH SERVICES

A school nurse/health aide is available in the clinic for a portion of the day to promote the physical and emotional health of students. Health appraisal activities at various grade levels include: vision screening and hearing screening at grades K, 1, and 3, immunization records check, and kindergarten screening.

ILLNESS/FEVERS

A child who complains of nausea, headaches or poor health will have his/her temperature taken in the clinic. If the child has a temperature of **100 degrees** or higher, the parent will be called to take the child home. If there is not an apparent temperature, the child will rest in the clinic for a while to see if his/her condition improves. If it does not, the parent will be called to take the child home. Students sent home with fevers must be **"fever free" for 24 hours** before returning to school. Students who are vomiting or those with diarrhea must also stay home for at least 24 hours for the health and protection of all students and staff.

INJURIES

Minor injuries, such as skinned knees, will be treated in the clinic, but anything requiring treatment other than first aid is not permitted to be administered by school personnel. Parents will be notified when there is doubt about the seriousness of an injury or when injuries are considered more than minor.

BLOOD BORNE PATHOGENS

Our school follows the Occupational Safety and Health Administration regulation 20 CFR 1919.1030: Occupational Exposure to Blood borne Pathogens. The following precautions will be followed, as the state guidelines expect, for students and staff. When coming into contact with a situation that involves bleeding (bloody nose, cuts, loose teeth, etc.), we will be using gloves, which are provided for all staff. Any tooth that has fallen out will be sent home in a plastic bag with a similar label on it. You may be asked to bring in fresh clothing for your child.

MEDICATIONS TAKEN AT SCHOOL

All medications should be given to students at home when possible. Medications ordered three times a day should be given before school, after school, and bedtime. If it is necessary for a student to take medication during the school day, the following requirements **must be met** to insure our students' safety:

- Any medication must come to school in its original container with the child's name on it. Pharmacies may be asked to divide prescriptions into two bottles.
- Parents are to bring medications to the school office. Students may not carry medication on the bus.
- Complete written instructions must be given to the principal or his/her designee with the parent's written permission and signature. Forms are available in the office/clinic or on line at www.bbhcsd.org/health. There are separate forms for prescription and non-prescription medications. There are also forms for epipens and inhalers, which the students may carry with them once the forms are completed and on file in the clinic. Prescription forms should be taken to your child's physician and returned with the medication.
- Prescription medication must be accompanied by the physician's instructions, side effects that should be reported, along with their signature and phone number.
- The first dose of a new medication must not be administered at school in case of an allergic reaction.
- New requests for medication must be submitted at the beginning of each new school year or as medical needs arise. Both the physician and parent must complete new forms unless it is for non-prescription medications.

Parents must pick up unused medication. Medications will be disposed of 30 days after they are discontinued. These practices insure that medication is given safely at school. Please call the office if you have any questions.

ASBESTOS MANAGEMENT PLAN

The asbestos-containing materials plan for each school, as well as the district, is available for public inspection and review during normal business hours at the Board of education office. Should you have any questions concerning the management plan, please contact the school district's Asbestos Program Coordinator. This individual is the Director of Business Services and can be reached at 440-740-4016.

SAFETY AND SECURITY

EMERGENCY CLOSING OF SCHOOL

The **ALERT NOW** system will be used to contact all families for emergencies. Also, announcements will be made on local television and radio stations and will be posted on the district's website. Contacts will be made as soon as a decision has been made to cancel school. When school is canceled due to a calamity day, the BeeKeepers Child Care Program will also be canceled.

EMERGENCY DRILLS

The school practices monthly **fire** drills. Each class has a specific exit point and receives instruction for this emergency exit procedure. Emergency drills for **tornadoes** also take place, generally in the spring. Each class is assigned a designated safe area within the building.

Periodically lockdown drills are practiced as well. Each of these drills has a specific alarm and/or PA script that is sounded to alert teachers and students of the appropriate course of action. We do not have drills for **evacuation** due to the time it would require, however, procedures are in place for an evacuation. All drill procedures are outlined in teachers' handbooks.

"LOCK DOWN"

It is hoped that school buildings in the district will never need to "lock down." However, if they do, plans have been developed to do so. A "lock down" in our schools is a response to an emergency situation dictated by local, regional, or federal authorities whereby no one, including students, staff or parents, will be permitted to enter or exit the school until the emergency "lock down" is cancelled by authorities. In such an emergency, the patience and calmness of all adults will be necessary for the successful handling of the emergency and the well-being of all students.

SHELTER-IN-PLACE

Our shelter-in-place procedure is an emergency response to protect students and staff members from an outdoor hazardous environment. It will be used when needed to keep children safe until their parents can safely reach them at school. Parents of students requiring life-sustaining medications are asked to provide the school with a supply of appropriate medications. EVACUATION procedures for student release will be the same as described below for the School Evacuation Plan except that the students will remain at school. Parents are to come to school as quickly as possible, have photo-ID, "buzz in" at the front door, and follow staff directions from there.

SAFE SCHOOL HOTLINE - 1-800-418-6423, ext. 359

The district has a service in which parents, students, and other community members can report anonymously anything that causes them concern regarding the safety or security of the students or schools. All should feel free to discuss concerns at any time with principals. However, if you'd feel more comfortable reporting a concern anonymously, please do not hesitate. A good rule of thumb: If it pops in your mind that maybe you should call the hotline with some information—then you should! This service is to keep all our kids' safe and secure at all times.

SCHOOL EVACUATION PLAN

Elementary School's Safety and Security Committee has developed an evacuation plan for our school in the event that such an exercise would be necessary. Our children would have two proposed routes to evacuate along depending on the circumstances. One route would take them where school buses would pick them up for transport home. The other area is an indoor site for our evacuation. The personnel in charge during such an evacuation have access to a telephone whereby appropriate authorities could be called and parents notified. Please refer to the chart below for your school's location.

SCHOOL	FIRST SITE	SECOND SITE
Chippewa	Into Emerald Woods	The Unity Center at Wiese & 82
Hilton	To the Middle School or St. Basil's Family Life Center	To the Middle School or St. Basil's Family Life Center
Highland Drive	Into the Chapel Hill area	St. Matthew's Episcopal Church

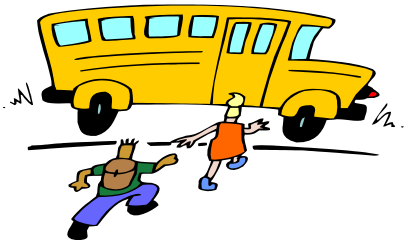

TRANSPORTATION

BUS ROUTES

Parents are asked to plan ahead for their child's bus transportation. **There will be one stop for the morning route and one stop for the afternoon route five days a week for the entire school year**. When childcare is a factor, parents should plan for the same stop daily. Because the routes are designed for maximum efficiency, students may not ride a different bus other than the one assigned, and they must enter/exit their buses at their designated stop. In the case of an emergency, parents may call the office to request a different route/stop. A student must have a form from the office before he/she will be permitted to board a different bus. Students will not be permitted to ride a different bus in order to play with friends after school, for transportation to after school activities, etc. Questions concerning transportation (Late bus information, bus stop questions, etc.) may be addressed to the Transportation Department at 440-740-4052 or 4050.

BUS CONDUCT

Proper behavior on the buses is necessary in order to transport students safely to and from school. The bus driver is responsible for the safety of all passengers. The following are our expectations for all students riding the bus:

BUS EXPECTATIONS

Each student will follow these expectations:

- **Observes points of safety - waiting for or leaving bus area** **(Ohio Operation & Safety Codes)**
- **Walks quietly to, on, and from the bus**
- **Takes assigned seat and faces forward**
- **Keeps hands, feet, and body in seat area** **(Seat on seat, back on back, feet to floor, hands to self)**
- **Stays seated while the bus is in motion**
- **Talks quietly with seat partner**
- **Speaks respectfully**
- **Obeys all of the rules from the BBHSCD Code of Student Conduct**
- **Obeys the laws from the Ohio Revised Code** **(the prohibition of the consumption of food or beverage and the transportation of objects that do not fit on student's lap)**
- **Other** **(See below)**

(Any activity not stated above must be approved by Director of Transportation)

The district policy for suspension of riding privileges will be enforced upon receiving three citations. The following rules should be discussed with your children:

NETWORK ACCEPTABLE USE POLICY

The Brecksville-Broadview Heights City Schools recognize that our students will live in a world of increasingly sophisticated technology and greatly enhanced communication. We further recognize that the availability of an ever-present and virtually unlimited information resource has profound implications for instruction. We therefore believe that it is imperative to provide network access to our students and staff.

Overview

The Acceptable Use Policy detailed here is designed to articulate the appropriate use of computer networks, including the Internet, in the instructional setting of our schools. This document seeks to set ground rules that will forestall problems that could surface in such an unfettered environment. User compliance with these rules will help build a safe and appropriate learning environment. To the same end, the district will employ reasonable technology solutions, such as Internet filtering and tracking software, to restrict access to objectionable material and to keep a record of sites accessed on the Internet.

Account Holders

All students and employees are eligible to maintain an account that allows them access to the network resources in our school buildings. Students holding accounts with email access must submit parental approval. Students without parental permission do not receive email accounts.

Internet privileges can be denied, suspended, or revoked as a consequence of violation of the provisions of this Acceptable Use Policy. Furthermore, Brecksville-Broadview Heights City Schools administrators will cooperate fully with law enforcement officials in the event that there is suspicion that unlawful activity has taken place.

Code of Conduct

Network users must be aware that there are materials on the Internet that may be defamatory, abusive, obscene, profane, sexually oriented, threatening, racially or sexually offensive, or illegal. These materials include graphics, sounds, digital film clips, and text. Brecksville-Broadview Heights City Schools account holders agree not to use school district resources to download, copy, upload, transmit, forward, or display any such materials.

Network access is provided to support the curriculum and operations of our district. Any other use, including use of the network for personal, political, or commercial purposes is prohibited.

Network users must respect all applicable laws. Particularly, users agree to abide by copyright laws. Material retrieved from the Internet may not be plagiarized for any purpose. Material that is to be republished in any format may only be used with the permission of the copyright holder. Commercial software may not be downloaded, copied, installed, transmitted, uploaded, or forwarded.

Network users agree to follow security guidelines. A user will not use another person's account, pretend to be someone else, or attempt to conceal his or her identity on the network. Users will not give others access or permission to use their accounts. Users will not re-post personal communications without the author's consent. Students will not give out personal information such as address or phone number, send other users pictures of themselves, or agree to meet with someone encountered online. Exceptions to avoiding such sharing of personal information may occur only within the context of projects directed by a teacher.

Any interference with the normal operations of the network will not be permitted. This includes vandalism or removal of computer hardware, installation or use of unapproved software, the unauthorized changing of network software settings, attempts to circumvent security or Internet

filtering software, and the installation, copying, uploading, transmission, propagation, or creation of computer viruses of any kind. Any attempt to gain unauthorized access to information or data on the network is prohibited.

Electronic mail and other communications are not a private matter. The systems operators and school administrators have the authority and means to inspect e-mail that is transmitted through the district's network. The district reserves the right to monitor all electronic communications. Email usage that contradicts provisions of the Acceptable Use Policy will be dealt with appropriately. Specifically, illegal activities will be reported to law enforcement personnel, and unacceptable communications can result in network privileges being denied, suspended, or revoked as well as other discipline.

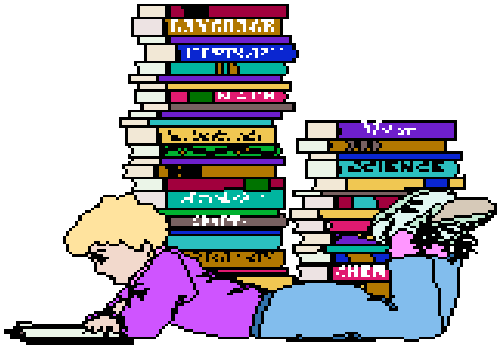

Users are expected to follow generally accepted network etiquette guidelines.

Consent and Waiver

The information gathered from the Internet does not reflect the views of the Brecksville-Broadview Heights City Schools. The district does not vouch for the veracity or utility of any materials obtained using our equipment or access to network resources. The school district is not responsible for the consequences of receiving or using advice or information from an Internet source. Neither is it responsible for the consequences of any disruption or changes in services of our network or Internet connection, nor for loss of data stored on our systems.

[Adopted December 16, 1996]

[Revised Date: August 28, 2000]

Notification per Board of Education Policy 5310

The Brecksville-Broadview Heights City District does not anticipate, nor scheduled, any non-emergency, invasive physical examination or screening scheduled for the 2009-2010 District year for students. This does not include vision, hearing, and scoliosis screenings, which will be scheduled throughout the year.

Notification on Student Records and Directory Information

(Board Policy 2416, 8330)

Student records shall be available only to students and their parents, eligible students, designated school officials, and designated school personnel, who have a legitimate educational interest in the information, or to other individuals or organizations as permitted by law.

Both parents shall have equal access to student records unless stipulated otherwise by court order or law. In the case of eligible students**,** parents may be allowed access to the records without the student's consent, provided the student is considered a dependent under section 152 of the Internal Revenue Code. Only "directory information" regarding a student shall be released to any person or party, other than the student or his/her parent, without the written consent of the parent, or, if the student is an eligible student, without the written consent of the student, except to those persons or parties stipulated by the Board's policy and administrative guidelines and/or those specified in the law.

Each year the District provides public notice to students and their parents of the District's intent to make available, upon request, certain information known as "directory information." The Board designates as student "directory information": a student's name; address; telephone number; date and place of birth; major field of study; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; awards received; honor rolls; and scholarships. Directory information shall not be provided to any organization for profit-making purposes. The Board may disclose "directory information" on former students without student or parental consent. For information about parent and student rights to inspect, review and request amendments to educational records, or if parents/students believe their rights under Federal law have been violated, please contact the Director of Pupil Services at 740-4017.

Risk Reduction Program

The Board of Education believes that the employees and students of this District, as well as visitors, are entitled to function in an environment as free from hazards as can reasonably be provided. In this regard and in accordance with law, the Board will provide reasonable and adequate protection to the lives, safety, and health of its employees and students, in compliance with Federal and State laws and regulations. The Director of Business Services shall ascertain that the employees and students of this District are aware of their rights to an environment free of recognized hazards, that they are properly trained in safety methods, that protective devices and equipment are available to meet safety standards, and that proper rules and records are maintained to meet the requirements of the law and the regulations of the Public Employees Risk Reduction Advisory Commission.

Brecksville-Broadview Heights City School District Student Code of Conduct

This Code shall serve as a guide to all Brecksville-Broadview Heights City School District students. Violation by a student of any one or more of the rules of the Code of Conduct may result in disciplinary action which may include one or more of the following: warning, verbal reprimand, parental contact, working lunch, detention, Saturday school detention, community service, in-school suspension, referral to legal authorities, emergency removal, suspension, and/or expulsion.

The items in this Code apply to all students when under the authority of school personnel; on school-owned vehicles, during a school activity; whether on property-owned, rented, or maintained by another party. The Cuyahoga Valley Career Center is an extension of our school program; therefore, students who elect to attend the career center are subject to disciplinary action based upon the Student Code of Conduct of either Brecksville-Broadview Heights City School District and/or the Cuyahoga Valley Career Center. Consequently, conduct and/or involvement in any activity that may or does result in disciplinary action by one school may be grounds for disciplinary action by the other school. The items in this Code also apply to misconduct, regardless of where it occurs, that is directed against a District employee or official, or the property of such employee or official.

In the event that a student commits an offense that warrants expulsion, the Superintendent may initiate expulsion proceedings against the student even if the student withdraws from school before the Superintendent has held the hearings or made the decision to expel the student.

2. The notice to the pupil and his parent, guardian, custodian, or representative, shall include notice of the opportunity to appear in person before the Superintendent or his/her designee at an informal hearing to challenge the reasons for the intended expulsion, or to otherwise explain the pupil's actions.

3. The notice must also state the time and place to appear to challenge the possible expulsion. The informal hearing must not be scheduled less than three (3) school days or later than five (5) school days after the notice is given, unless the Superintendent grants an extension of time at the request of the pupil, or his parent, guardian, custodian, or representative. If an extension is granted after giving the original notice, the Superintendent or designee shall notify the pupil, and his parent, guardian, custodian, or representative, of the new time and place to appear.

4. When a student is expelled for the following reasons and is 16 years of age or older, the notice will also indicate the student may also be subject to permanent exclusion from school if the code of conduct violation is one of the following:

The request to appeal must be made within five (5) school days of the issuance of the summary of the expulsion hearing, and shall be in writing and submitted to the Board of Education.

6. At the appeal hearing, the pupil, parent, guardian or custodian shall have the right to representation; the right to request that such hearing be in executive session, and the right to be heard against the expulsion.

7. The Board of Education shall act on the expulsion only at a public meeting. The Board may have legal counsel at the hearing. 8. The Board of Education or its designee shall make a verbatim record of hearings held under this provision. The decision of the Board of Education or its designee is further appealable to the Court of Common Pleas under provision of Chapter 2506 of the Ohio Revised Code.

9. In the event that the hearing is conducted by the Board of Education's designee, the Board will automatically adopt the findings of the designee.

10. Any Superintendent expelling a pupil under this section for more than twenty days or for any period of time if the expulsion will extend into the following semester or school year shall, in the notice required under this provision, provide the pupil and his/her parent, guardian or custodian with the information about services or programs offered by public and private agencies that work toward improving those aspects of the pupil's attitudes and behavior that contributed to the incident that gave rise to the pupil's expulsion. Such information shall include the names, addresses, and phone numbers of the appropriate public and private agencies.

12. Notice of any expulsion for violations of the dangerous weapons policy shall be sent to the Registrar of Motor Vehicles and the Cuyahoga County Juvenile Judge.

EMERGENCY REMOVALS OF STUDENTS

If a student's presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process, the Superintendent, Principal, or Assistant Principal may remove the student from curricular activities or from the premises. A teacher may remove the student from curricular activities under his supervision, but not from the premises. If a teacher makes an emergency removal, the reasons will be submitted to the principal in writing as soon after the removal as practicable. In all cases of normal disciplinary procedures where a student is removed from a curricular or extracurricular activity for less than 24 hours and is not subject to further suspension or expulsion, the due process requirements do not apply.

If the emergency removal exceeds 24 hours, then a due process hearing will be held as soon as possible, but in all cases within 3 school days after the removal is ordered. Written notice of the hearing and the reason for removal and any intended disciplinary action will be given to the student as soon as practicable prior to the hearing. The student will have the opportunity to appear at an informal hearing before the principal, assistant principal, superintendent, or designee, and has the right to challenge the reasons for the intended suspension or otherwise explain his actions. The person who ordered or requested the removal will be present at the hearing, and within 24 hours of the decision to suspend, written notification will be given to the pupil, parent, guardian or custodian of the student, and treasurer of the Board. This notice will include the reasons for the suspension and the right of the student or parent to appeal to the Board's designee.

If the superintendent or principal reinstates a student prior to the hearing for emergency removal, the teacher may request and will be given written reasons for the reinstatement. The teacher cannot refuse to reinstate the student.

In an emergency removal, a student can be kept from class until the matter of his misconduct is disposed of either by reinstatement, suspension, or expulsion.

Any appeal to the Board's designee shall follow the procedures of the suspension policy.

Procedural safeguards must be followed for all removals of handicapped students in accordance with the student's individual education program.

Search and Seizure (Board Policy 5771)

The Board of Education recognizes that the privacy of students or their belongings may not be violated by unreasonable search and seizure and directs that no student be searched without reasonable suspicion or in an unreasonable manner.

The Board acknowledges the need for in-school storage of student possessions and shall provide storage places, including desks and lockers, for that purpose. Such spaces remain the property of the Board and, in accordance with law, may be the subject of random search. Where locks are provided for such places, students may lock them against incursion by other students, but in no such places shall students have such an expectation of privacy as to prevent examination by a school official. The Board directs the school principals to conduct a routine inspection at least annually of all such storage places.

School authorities are charged with the responsibility of safeguarding the safety and well-being of the students in their care. In the discharge of that responsibility, school authorities may search the person or property, including vehicles, of a student, with or without the student's consent, whenever they reasonably suspect that the search is required to discover evidence of a violation of law or of school rules. The extent of the search will be governed by the seriousness of the alleged infraction and the student's age.

This authorization to search shall also apply to all situations in which the student is under the jurisdiction of the Board.

Administrators are permitted to conduct a random search of any student's locker and its contents at any time, providing proper notice has been posted in the locker areas of each building.
Search of a student's person or intimate personal belongings shall be conducted by a person of the student's gender, in the presence of another staff member of the same gender, and only in exceptional circumstances when the health or safety of the student or of others is immediately threatened.

Administrators are authorized to arrange for the use of a breath-test instrument for the purpose of determining if a student has consumed an alcoholic beverage. It is not necessary for the test to determine blood-alcohol level, since the Board has established a zero tolerance for alcohol use.
The Board also authorizes the use of canines, trained in detecting the presence of drugs or devices, when the Superintendent has reasonable suspicion that illegal drugs or devices may be present in a school. This means of detection shall be used only to determine the presence of drugs in locker areas and other places on school property where such substances could be concealed. Canine detection must be conducted in collaboration with law enforcement authorities or with organizations certified in canine detection and is not to be used to search individual students unless a warrant has been obtained prior to the search.

Except as provided below, a request for the search of a student or a student's possessions will be directed to the principal who shall seek the freely offered consent of the student to the inspection. Whenever possible, a search will be conducted by the principal in the presence of the student and a staff member other than the principal. A search prompted by the reasonable belief that health and safety are immediately threatened will be conducted with as much speed and dispatch as may be required to protect persons and property.

The principal shall be responsible for the prompt recording in writing of each student search, including the reasons for the search; information received that established the need for the search and the name of informant, if any; the persons present when the search was conducted; any substances or objects found; and the disposition made of them. The principal shall be responsible for the custody, control, and disposition of any illegal or dangerous substance or object taken from a student.

The Superintendent shall prepare administrative guidelines to implement this policy.
