JOB DESCRIPTION

Title Assistant Health Care Coordinator

Department Pupil Services

Building/Facility All Buildings

Reports To Director of Pupil Services

Employment Status Regular/Full-time

FLSA Status Exempt

Description Provides overall leadership and coordination of the district health care services. Includes clinical assessments of students and staff; offers clinical nursing care services, as appropriate; secures and administers student medications; maintains and reviews student health care records, including immunization compliance; provides health care education to students and staff. Performs screenings in accordance with the Ohio Revised Code

NOTE: The below lists are not ranked in order of importance

Essential Functions

- Assist Health Care Coordinator with scheduling and managing students' health needs
- Conduct hearing, vision, and scoliosis screenings and make referrals as appropriate
- Maintain up-to-date health records for students
- Assume responsibility for injured or ill students while on duty
- Act as health consultant for teachers, students, curriculum, and school
- Act as liaison between the school district and the medical community
- Authorize exclusion and re-admission of students in connection with infectious, contagious and/or nuisance diseases
- Dispense medication or delegate according to Ohio Revised Code with appropriate training, demonstrations, supervision, and evaluation
- Be available for emergencies in other Brecksville-Broadview Heights City School District buildings
- Plan/coordinate health care during field trips
- Assist in disease control programs by enforcing local and state immunization laws, screening for lice and other nuisance and/or communicable diseases
- Assist with individual health care plans for students with special health care needs, and inservice staff as needed
- Monitor school environment for safety and share concerns with building principal
- Act as consultant, health educator and counselor to promote disease prevention, and healthy lifestyles for students, staff and parents
- Provide leadership for school and community health issues
- Act as a student advocate
- Keep records and emergency contact information up-dated
- Assist the administration in implementing all procedures and rules governing student life and conduct

- Observe ethics of the nursing profession; exhibit professional behavior, emotional stability and sound judgment
- Identify nursing tasks appropriate to delegate in the individual situation, and provide procedural guidelines for orientation and training, schedule supervision, and ongoing evaluation
- Provide staff with necessary student health information on an "as needed" to know basis, e.g., health restriction list
- Report all cases of child abuse and neglect to the proper authorities
- Make contacts with the public with tact and diplomacy
- Maintain respect at all times for confidential information, e.g., medical records, prescription medicine, IEP's
- Interact in a positive manner with staff, students and parents
- Promote good public relations
- Attend meetings and in-services as required
- Promote safety of students
- Locate and secure various types of educational materials
- Participate in local, state, and national conferences and seminars
- Purchase all necessary medical supplies, materials and equipment for the district
- Coordinate the activities related to the school nursing program
- Perform other duties as assigned by the Director of Pupil Services
- Assist the building principal with the supervision and evaluation of health aides assigned in the same building

Other Duties and Responsibilities

- Refer students in need of medical and dental care to the parent
- Provide individual and group health counseling to students and parents
- Schedule blood-borne pathogens in-services for district
- Provide counsel and assistance to teachers in screening for suspected disabilities
- Assist in the preparation of budgets pertaining to health care
- Serve as a role model for students
- Respond to routine questions and requests in an appropriate manner

Working Conditions

- Occasional requirement to travel, both daily and overnight
- Occasional weekend/evening/summer work
- Frequent exposure to blood, bodily fluids and tissue
- Frequent interaction among unruly children
- Occasional operation of a vehicle in inclement weather conditions
- Occasionally lift, carry, push, and pull various items up to a maximum of 25 pounds, e.g., paper boxes, deliveries of supplies and equipment
- Occasional repetitive hand motion, e.g., computer keyboard, typing, calculator, writing

Equipment Operated
