MISSION STATEMENT

Recognizing the dynamic nature of our current society, we believe Brecksville-Broadview Heights High School through its instruction, resources, and environment assists the students to discover their interests, to realize their potentials, and to cultivate a desire to learn as a life-long process. Working toward these goals encourages students to become sensitive and creative, productive and responsible human beings.

GRADING PHILOSOPHY STATEMENT

Grades report evidence of student learning. This evidence is provided, by the student, in a variety of forms. Class work, homework, quizzes, and active participation in class represent important formative evidence of learning. Completion of these kinds of assignments, while expected and important, will be used to provide students, teachers, and parents with feedback about progress, and to inform teaching and learning in the classroom. Formatives will be considered, but not necessarily counted, in reporting on student learning (the grade). SUMMATIVE experiences (tests, projects, reports, presentations, etc.) represent culminating EVALUATIVE EVIDENCE of learning – at a point in time (unit/interim/quarter/final) – and will serve as the basis for the grade. With time as a variable and learning as the constant, BBHHS students will be provided multiple opportunities for learning.

STUDENT EXPECTATIONS

For over 135 years, the students of Brecksville-Broadview Heights have been building a tradition of excellence. As current students, we can help contribute to that tradition and increase the likelihood of our personal success if we:

1. Accept responsibility for our education, decisions, and actions.
2. Act in a way that best represents our school, parents, community, and self to promote a safe, healthy environment in which to learn.
3. Are active in the school and community.
4. Maintain a balance between academics, co-curricular activities, and community projects, and continually give our best effort to each.
5. Support our fellow students and their activities.
6. Respect cultural diversity, individuality, and the choices and rights of others.

(Dufour & Eaker 1998)

ACADEMICS

The school year is divided into two semesters with each semester consisting of two nine-week intervals of instruction. Grades are a report on student learning. The student will provide evidence of learning that will be recorded and reported by the teacher. Grades and point averages will be computed based upon the courses a student is enrolled in when credit is awarded.

GRADING SCALE:

Letter grades in each course are based on the following percentage scale:

BBHHS Grading Scale		
A	100-92	4.00
A-	91.9-90	3.7
B+	89.9-87	3.3
B	86.9-83	3.0
B-	82.9-80	2.7
C+	79.9-77	2.3
C	76.9-73	2.0
C-	72.9-70	1.7
D+	69.9-67	1.3
D	66.9-64	1.0
D-	63.9-60	0.7
F	<59.9	0.00

ASSESSMENT OF LEARNING:

Assessment of student learning is ongoing. Formal assessments can be tests, quizzes, or projects and specific to a topic/unit/marking period/term.

ACADEMIC LOAD:

Students must be enrolled in a minimum of 5.25 credits per year (21 required for graduation divided by 4 years), although 5.5 credits would be most accurate since we offer few “quarter-credit” classes.

S/U OPTION (FORMERLY "PASS/FAIL"):

The "S/U" option is the opportunity given to a junior or senior to select 1 unit of credit or less in non-required subjects for credit each year in which the grade will be either "Satisfactory" or "Unsatisfactory". "Satisfactory (S) will require a "C" or higher for credit; this translates into an average of at least 73%. An average below 73% will result in an "Unsatisfactory (U). This option is not available for honors or advanced placement courses.

"Satisfactory or Unsatisfactory" credit will be included in the total credits being taken by the student, but will not be figured into the grade point average or class rank. Therefore, the "S/U" option does not figure into the GPA to determine a student's eligibility; however it will count toward the 5-credit course requirement that also determines eligibility.

The student's declaration for "S/U" must be made prior to the end of September for the first semester or year-long courses and the applications must be approved by the student's counselor and Assistant Principal. During the second semester, students have the *first ten school days to select this option*. Applications are available in the school counseling office.

HONOR ROLL AND MERIT ROLL:

At the end of each nine-week grading period, recognition is given to those students who achieve academically. In order to be awarded Honor Roll status, a student must achieve a grade point average of 3.75 or better; Merit Roll status is awarded to those students who achieve an average of 3.00 to 3.749.

Grade point averages are based on a four-point scale, with points assigned as follows:

	Regular	Honors	AP
A	4.0	4.5	5.0
A-	3.7	4.2	4.7
B+	3.3	3.8	4.3
B	3.0	3.5	4.0
B-	2.7	3.2	3.7
C+	2.3	2.8	3.3
C	2.0	2.5	3.0
C-	1.7	2.2	2.7
D+	1.3	1.3	1.3
D	1.0	1.0	1.0
D-	0.7	0.7	0.7
F	0.0	0.0	0.0

A grade of D, U, WF, or F in any class precludes a student being included on the Honor Roll or Merit Roll.

REPORT CARDS:

Students receive report cards approximately one week after the end of each nine-week grading period. The last report card of the year is mailed to parents. Report cards include letter grades and comments for each course, absence and tardy records, and grade point averages. Questions on individual grades should be directed to the course teacher involved.

Report Cards will be disted on the following dates:

1st Quarter.....October 26, 2018 3rd Quarter .....March 29, 2019

2nd Quarter .....January 18, 2019 4th Quarter ..... June 14, 2019

INTERIM PROGRESS REPORTS:

Student's progress may be monitored throughout the year by logging into ProgressBook. Interim Progress Reports (IPR's) will be distributed to the student who is failing or in danger of failing a class. Students who have provided little evidence of growth or adequate progress in class will meet with their Teacher/Counselor/Assistant Principal to develop a plan for improvement. Parents are encouraged to contact the Teacher, Counselor, or Assistant Principal throughout the year to receive descriptive and prescriptive feedback.

Interim Progress Reports will be distributed to students on the following dates:

9/20/2018 11/28/2018 2/14/2019 5/2/2019

PARENT/TEACHER CONFERENCES:

Communication between the home and school is viewed as extremely important. Parent-teacher conferences are held formally on one evening during the first and third nine weeks of the school year. Other conference times can be scheduled throughout the year by teacher or parent request.

NATIONAL HONOR SOCIETY:

In order to be eligible for the National Honor Society Chapter, students must maintain a minimum grade point average. The minimum required GPA is a 3.6. In addition, students must exhibit strong evidence of character, leadership and service in the school and community. All coursework must be taken in the academic level or above. Those students who are academically eligible are notified during the first semester of their junior year. Students not eligible or not selected during the junior year may become eligible or be reconsidered their senior year. The National Honor Society follows all guidelines established by the National Constitution and the Chapter By-Laws.

OTHER OPPORTUNITIES FOR STUDENTS TO BE HONORED FOR THEIR EXCELLENCE INCLUDE:

Tri-M Music Honors Society, International Thespian Society, International Honor Art Society, National Technical Career Honor Society, And Quill And Scroll.

AIR ASSESSMENT & END-OF-COURSE EXAMS

The state of Ohio uses the AIR assessment system to measure student growth aligned to the New Learning Standards for English Language Arts, Mathematics, Science, and Social Studies. The Ohio Department of Education has mandated end of course exams in 7 areas: Algebra I, Geometry, English 1, English 2, Biology, American History, and American Government. Students studying Advanced Placement (AP), or taking dual enrollment courses in American history or American government may take assessments aligned to those courses in lieu of end-of-course exams to avoid double testing. With few exceptions, students must accumulate a minimum of 18 points from scores on their end-of-course exams to become eligible for a diploma.

Students must also meet one of the following three:

1. Earn a cumulative passing score on seven end-of-course exams. The scores will be set by the State Board of Education.
2. Earn a "remediation-free" score on a nationally recognized college admission exam such as ACT or SAT. The State of Ohio will pay one time for all 11th-grade to take the exam free of charge.
3. Earn a State Board of Education-approved, industry-recognized credential or a state-issued license for practice in a career and achieve a score that demonstrates workforce readiness and employability on a job skills assessment.

COLLEGE ADMISSIONS TESTS:

The Preliminary Scholastic Assessment Test/National Merit Scholarship Qualifying Test (PSAT) will be administered to all juniors. The PSAT/NMSQT is a practice test for the Scholastic Assessment Test. The SAT is a required admissions test for many select/private colleges. The PSAT/NMSQT is also used to qualify students for the National Merit Scholarship.

The PSAT 8/9 is an assessment provided by the school to establish a starting point in terms of college and career readiness, while the PSAT 10 is designed specifically for high school sophomores that test the same skills and knowledge as the SAT. Additional resource are available to all student who link their College Board account with Khan Academy.

*****Both tests will be administered on Test Day, October 10, 2018*****

PRE-ACT is a practice/predictive ACT assessment. It will be administered to all sophomores. The ACT is a required admissions test for many colleges. BBHHS seeks to provide students with the best opportunities for practice of the skills needed for performance on the high stakes testing.

Most colleges require either the American College Test (ACT) or the Scholastic Assessment Test (SAT) as part of admissions application. Students should check to see which test is preferred by the college of their choice. It is suggested that juniors take the ACT and/or SAT during the spring of their junior year. The advantage of spring testing is that the student will be able to retest in the fall, if it is desirable. Colleges do accept students based on spring test results.

The Brecksville-Broadview Heights High School code number for these tests is 360-575.

All students enrolled in AP courses are required to take the AP tests. Fees for AP tests are included in class fees.

Advancement Placement (AP) Examination Dates: May 6-16, 2019

Registration materials for all of the above tests are available in the School Counseling Office.

ATTENDANCE

STUDENT ATTENDANCE POLICY: (ADOPTED BOE: JUNE 24, 1991)

Philosophy: Regular daily class attendance and punctuality are necessary in order for the learning process to be effective. Frequent absences disrupt the instructional process, which requires a continuity of classroom learning experiences, pupil interaction, and study in order to reach the goal of maximum educational benefits for each student. Studies show that students who miss school frequently experience great difficulty in achieving the maximum benefits of instruction. We are aware that there are occasions when a student cannot be present and thus may miss an essential learning experience. The Board adopted attendance policy which adheres to current state law is posted on the District's website.

The following are VALID reasons for absence from school:

1. Personal Illness
2. Medical, Dental or Legal Appointment (A note of verification is needed to return to school.)
3. Death of a Relative
4. Observance of Religious Holidays (A student may be excused for the purpose of observing a religious holiday, provided it is required by his/her religion. If observance of such holiday requires only attendance at a religious service, the student should attend such service before or after school if possible.)
5. Other emergencies or circumstances which constitute good and sufficient cause as determined by the school administration.

An Unexcused Absence exists when a student is absent from school with his/her parents knowledge, but for a reason deemed to be unacceptable by the administration.

Absences - What constitutes an absence?

1. Absences include the VALID reasons cited in an earlier section.
2. Students must be in class more than half a period or they will be considered absent for the entire period.
3. Planned absence days are considered absent days when determining the total number of days absent from class for any period of time.
4. Late arrivals (to school) and early dismissals: Late arrivals and early dismissals are considered absent days when determining the total number of days absent from class (Students will not be given permission to leave during the school day without a parent's or guardian's consent).
5. Time spent in ISA (In-School Assignment) will not count against the student's class absence provided class work assigned is attempted/completed per direction of the classroom teacher and/or ISA monitor.
6. Days suspended out-of-school are counted as absences from school.
7. School related activities or functions are not counted as an absence from class--for example: calls from the office, assemblies, field trips, sporting events, contests, etc. that are scheduled during school hours.

Notification of attendance problems:

1. Parents and students will be notified of attendance problems prior to the loss of credit.
2. Means of notification:
   a) Attendance concerns will be noted on interim progress reports.
   b) Days absent will be noted on nine weeks grade cards.
   c) An Attendance Warning Form will be sent home by the teacher when one half of the allowable absences have been reached by a student. Copies are provided to parent, teacher, school counseling office, and attendance office.
   d) Other informal means (e.g. phone calls to parents) may be used as the need arises.

GENERAL ABSENCE PROCEDURES:

In every case of a foreseen absence an attempt should be made to have the absence excused in advance. Parents/Guardians are to call the **Attendance Office, (A- K) 740-4705 or (L- Z) 740-4715, before 9:00 a.m.,** to report student absences **(there is voice mail for this number from 3:30 p.m. to 7:00 a.m.)**. After 9:00 a.m., the attendance secretary will try to contact a parent or guardian at home or at work to clear the absence. In the event that phone contact is not made, the student must submit a written note from a parent or guardian to the attendance office upon returning to school.

MAKE-UP WORK

When a student returns from an absence, it is his/her responsibility to make arrangements for completing make-up work. Generally,

students will be allowed one day make-up time for each day absent, but exceptions may be made with the approval of the teacher.

HOME INSTRUCTION

Procedures for Home Instruction of a student should begin when it is suspected that the student might be out of school for 10 or more consecutive school days due to illness. These procedures are available through the School Counseling Office.

TARDINESS / LATE TO CLASS/SCHOOL:

A tardy is defined as arrival to school or class after the tardy bell has rung up till the first 20 minutes of the 1st period (to school). It is strongly suggested that a student be in his/her seat prior to the bell sounding to avoid any misunderstandings.

A late is defined as arrival to school after the first 20 minutes of first period.

Students must have a hall pass from their last class when late to their next class if a tardy is to be avoided. If a student is tardy, he/she should report immediately to his/her assigned class where the teacher will record the tardy and respond appropriately to the violation. Any classroom tardy beyond ten (10) minutes will be considered a "class cut."

As the student accumulates tardies (arrival to school within the first 20 minutes of 1st period), the following consequences may result:

1. 3rd – 7th tardy = One (1) After School Detention for each occurrence
2. 8th – 12th tardies = One (1) Saturday School Detention for each occurence
3. 13th and more = Progressive Discipline

Student parking and Hive privileges may be revoked after the 7th occurrence. This process will repeat every semester.

Each student is expected to report to school on-time every day prepared to demonstrate learning. Tardiness will be subject to disciplinary action as defined in the Student Code of Conduct. Examples of unexcused tardiness are: car problems, over sleeping, unexcused personal reasons, and any tardiness to class without a valid excuse (as determined by the attendance office) and a pass.

PLANNED ABSENCE:

Absence for a family trip or vacation, extracurricular activities, non-school sponsored activities, college visitations, etc., is to be considered a Planned Absence. **An Advance Notice of Absence is to be completed and submitted to the Assistant Principals' Offices prior to the scheduled absence from school.** Care should be given when planning a vacation during the school year because a student's grades may be adversely affected.

The following criterion applies to all requests for Planned Absences:

1. Planned absences are not to be requested during those days established for any building level assessments. (eg. National, State, and Building Assessments)
2. It will be the student's responsibility to make arrangements for makeup work and/or tests missed upon return to school. No more than one day's makeup time shall be permitted for each day of absence. Teachers will not be expected to tutor individual pupils.
3. All work and/or tests are expected to be made up in the prescribed period of time. Failure to provide evidence of learning may result in zero (O) credit.
4. Excessive absences may require individual tutoring at the parents' expense.
5. A college official must verify that a college visit has been successfully completed.

ATTENDANCE POLICY GUIDELINES

Student attendance will be recorded each period of the school day by a designated staff member. No credit for a course will be given when a student exceeds the allotted number of hours absent for that period of time. However, the student may be required to participate an absence intervention program. The absence intervention team will be comprised of an assistant principal, counselor, faculty representatives, and a parent or guardian.

A. Maximum hours a student is allowed to be absent from class:

1. Hours per course:
   - a) For a semester course: 7 hours
   - b) For a year course: 14 hours

B. Notification of loss of credit:

Once a student has accumulated the hours of absences to deny him or her credit, the following procedure will be used: a letter will be sent home by certified mail regarding the need to convene the Absense Intervention Team.

C. Absence Intervention Team

Parent responsibility: All appeals must be presented to the assistant principal. A parent or guardian should be present at the team meeting and the student is required to attend.

MEDICAL APPOINTMENTS:

Appointments for medical and dental visits during the school day must follow the established procedure:

1. A parent must call or send a note to the Attendance Office prior to, or the morning of, an appointment. A student is to sign out in the Attendance Office when he/she leaves the building. A time of return will be needed in order to ensure the student's arrival back to school.
2. The student will be listed on the absence list for the time missing school.

3. When the student returns to school, the student must report to the Attendance Office to notify the secretary of the return.
4. Emergency appointments will require a parent call prior to the student leaving; verification from the doctor's office may be requested by the Attendance Office upon return to school.
5. Failure to follow the procedure will result in the absence from school being marked as unexcused.

FIELD TRIPS

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the school's co-curricular and extra-curricular programs. No student may participate in any school-sponsored trip without parent consent and a medical emergency form on file. Participation in a field trip is a privilege and may be denied by the administration due to academic, behavior, or attendance concerns. Students must have all emergency medical information on file prior to attending any field trip or school functions (ie. Dances, Clubs, Extracurricular).

TRUANCY

Truancy is defined as absence from school and/or any part of a class without parents' and/or a school official's knowledge or permission. A student is considered ***habitually truant*** when the student has been absent for at least:

- 30 consecutive hours without a legitimate excuse;
- 42 hours in one month without a legitimate excuse;
- 72 hours in one school year without a legitimate excuse;
- 38 hours in one month regardless of excuse; or
- 65 hours in one school year regardless of excuse.

Notice will be sent to a parent or legal guardian within seven school days of the absence that triggers the habitual truancy designation. Habitually truant students shall be required to participate in an absence intervention program.

STUDENT SERVICES

SCHOOL COUNSELING DEPARTMENT:

Each student will be assigned a school counselor who will be available to assist him/her in making academic, vocational and personal choices. The counseling staff is also responsible for maintaining student records, planning and scheduling informational meetings, and coordinating the testing program. Students who need to see their counselor during the school day should visit the counseling office before school, after school, during study hall or lunch to schedule an appointment. In an emergency situation, the student should check with the counseling secretary who will help secure a counselor's assistance immediately. Students and parents are encouraged to contact counselors with questions or problems at 740-4720.

CHANGE OF ADDRESS/PHONE NUMBER/CUSTODY:

Any change of address, telephone number, or CUSTODY during the school year must be reported to the School Counseling Office at 740-4720. Proper documentation must be presented for the student records.

STUDENT RECORDS AND DIRECTORY INFORMATION:

Student records shall be available only to students and their parents, eligible students, designated school officials, and designated school personnel, who have a legitimate educational interest in the information, or to other individuals or organizations as permitted by law.

Both parents shall have equal access to student records unless stipulated otherwise by court order or law. In the case of eligible students, parents may be allowed access to the records without the student's consent, provided the student is considered a dependent under section 152 of the Internal Revenue Code. Only "directory information" regarding a student shall be released to any person or party, other than the student or his/her parent, without the written consent of the parent, or, if the student is an eligible student, without the written consent of the student, except to those persons or parties stipulated by the Board's policy and administrative guidelines and/or those specified in the law.

Each year the District provides public notice to students and their parents of the District's intent to make available, upon request, certain information known as "directory information." The Board designates as student "directory information": a student's name; address; telephone number; date and place of birth; major field of study; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; awards received; honor rolls; and scholarships. Directory information shall not be provided to any organization for profit-making purposes. The Board may disclose "directory information" on former students without student or parental consent. For information about parent and student rights to inspect, review and request amendments to educational records, or if parents/students believe their rights under Federal law have been violated, please contact Dr. Gina Symsek, Director of Pupil Services at 740-4017. (BOE Policy 8330)

STUDENT PRIVACY AND PARENTAL ACCESS TO INFORMATION

The Board of Education respects the privacy rights of parents and their children. No student shall be required, as a part of the school program or the District's curriculum, without prior written consent of the student (if an adult, or an emancipated minor) or, if an unemancipated minor, his/her parents, to submit to or participate in any survey that reveals information concerning:

A. political affiliations or beliefs of the student or his/her parents:
B. mental or psychological problems of the student or his/her family;
C. sex behavior or attitudes;

D. illegal, anti-social, self-incriminating or demeaning behavior;

Additionally, parents have the right to inspect, upon request, any instructional material used as part of the educational curriculum of the student. The parent will have access to the instructional material within a reasonable period of time after the request is received by the building principal. The term instructional material means instructional content that is provided to a student, regardless of its format, including printed and representational materials, audio-visual materials, and materials in electronic or digital formats (such as materials accessible through the Internet). The term does not include academic tests or assessments.

The Board will not allow the collection, disclosure, or use of personal information collected from students for the purpose of marketing for commercial purposes or for selling that information (or otherwise providing that information to others for that purpose).

The Superintendent is directed to provide notice directly to parents of students enrolled in the District of the substantive content of this policy at least annually at the beginning of the school year, and within a reasonable period of time after any substantive change in this policy.

In addition, the Superintendent is directed to notify parents of students in the District, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when the administration of any survey by a third party that contains one or more of the items described in A through H above are scheduled or expected to be scheduled. (BOE Policy 2416)

SPECIAL SERVICES:

The services of a school psychologist, speech and hearing therapist, and academic tutors are available for those who qualify. In addition, a school nurse or health aide is available at regularly scheduled times. Questions should be directed to the counseling office 740-4720.

CAFETERIA:

The cafeteria will serve breakfast daily from 7:00-7:25 am and during the first fifteen minutes of 1st, 2nd and 3rd period. Three lunch combinations will be served each day including the main line lunch, sub stop lunch-deli sub, turkey sub or specialty sandwich of the day and the pizza line lunch. Chef salads are available everyday as an a la carte purchase. Soup is available everyday(Oct-May), along with many other a la carte items. Students may pay with cash daily or prepay using a check. Parents may also deposit money into their children's accounts using the www.myschoolaccount.com website. Families who are eligible for free or reduced price meals should pick up an application in the main office-these are available throughout the entire year. Students will be issued and must use a PIN number when making purchases.

FOOD OR BEVERAGES ARE NOT TO BE CONSUMED ANYWHERE IN THE BUILDING EXCEPT THE CAFETERIA. This includes beverages in personal containers. The overall cleanliness of the cafeteria and of individual tables is the responsibility of those who use the facility. Students are expected to dispose of their waste in the appropriate receptacles. "Card playing" is not permitted during lunch periods.

When asked to clean up an area, students are expected to respond in a positive and helpful manner, thereby demonstrating a respect for and ownership of school facilities.

CLINIC:

Each student MUST have the proper emergency medical cards on file in the clinic-office area. The clinic is open throughout the day to students who feel ill or have a medical emergency. A student who wants to use the clinic should get a pass from his/her teacher before reporting to the school nurse or the attendance secretary—they must be "signed in" via the clinic register.

Should a student be too ill to remain in school or if a medical emergency arises, parents or guardians will be contacted by the nurse or the attendance secretary. Students are not to use cell phones or leave without permission from the office.

Board of Education policy governs the dispensing of prescription medications. Students who take medication prescribed by a doctor should check with the school nurse or attendance secretary for the proper procedure. Visit the following website for health requirements, medical authorization forms and information: www.bbhcsd.org/health

The Brecksville-Broadview Heights City Districts does not anticipate, nor have scheduled, any non-emergency, invasive physical examination or screening scheduled for the 2010-2011 District year for students. This does not include vision, hearing, and scoliosis screenings, which will be scheduled throughout the year. (BOE Policy 5310)

RISK REDUCTION PROGRAM:

The Board of Education believes that the employees and students of this District, as well as visitors, are entitled to function in an environment as free from hazards as can reasonably be provided. In this regard and in accordance with law, the Board will provide reasonable and adequate protection to the lives, safety, and health of its employees and students, in compliance with Federal and State laws and regulations. The Director of Business Services shall ascertain that the employees and students of this District are aware of their rights to an environment free of recognized hazards, that they are properly trained in safety methods, that protective devices and equipment are available to meet safety standards, and that proper rules and records are maintained to meet the requirements of the law and the regulations of the Public Employees Risk Reduction Advisory Commission. Failure to comply with the above will result in disciplinary action.

INTERSCHOLASTIC EXTRACURRICULAR ELIGIBILITY:

Students are required to maintain a minimum grade point average of 1.5 in order to be eligible to participate in any interscholastic extracurricular activity (grades 7-12) within the Brecksville-Broadview Heights City School District. The grade point average of each grading period (quarter grades) will be used to determine eligibility. The eligibility of a student will continue until the grades are released to the athletic office, at which time the grades from the immediately preceding grading period become effective. Incoming freshman must have passed 75% of their classes in fourth quarter of the previous year to participate in fall athletic activities. EXCEPTION: Eligibility or ineligibility for the first grading period commences with the start of the fall sports season.

Summer school grades earned may not be used to recalculate a student's G.P.A. from the last grading period of the regular school year. Additionally, eligibility requirements for participating in athletic programs must conform to the policies, rules/regulations, and limitations outlined by the Ohio High School Athletic Association. Specifically, student-athletes must be passing at least **five (5)** full-credit equivalent courses each grading period to remain eligible. Keep in mind that all PE classes are .25 credit for a semester.

Students who participate in interscholastic athletics and extracurricular activities are also subject to the rules of the Brecksville-Broadview Heights Drug, Alcohol, and Tobacco Policy. The policy is discussed with all participants at the beginning of their season and/or activity. Parents of student-athletes will also discuss the policy at their initial meeting with the schools athletic trainer. Copies are also available in the athletic office or from extracurricular advisors.

Attendance is required from 10:40 a.m. until the end of the school day in order for a student to be eligible to participate in an after school or evening contest, performance, practice, rehearsal, etc. (Exceptions to this rule may include field trips, or unforeseen circumstances such as funerals or family emergencies pending approval by a building administrator.)

Participation in extra-curricular activities/interscholastic sports is a privilege, and not a right. Therefore the Board of Education authorizes the Superintendent, principals, assistant principals, athletic director, and other authorized personnel employed by the District to supervise or coach a student activity program, to prohibit a student from participating in any particular or all extra-curricular activities of the District for offenses or violations of the Student Code of Conduct in accordance with the provisions of Policy 5530.01 In addition, participating student athletes are further subject to the extracurricular student Code of Conduct and may be prohibited from participating in all or part of any extra-curricular/interscholastic activity for violations therein. Students prohibited from participation in all or part of any extracurricular activity are not entitled to further notice, hearing or appeal rights. (Policy 5610.05)

ATHLETIC SPECTATOR CODE OF CONDUCT:

1. I will cheer for my team, not against my opponents.
2. As a spectator I am here as a guest of the school and will conduct myself with respectful enthusiasm.
3. I will respect the decisions of game officials (who have a difficult job) even when I do not agree with them.
4. I will not criticize or demean coaches or players.
5. I will respect the welfare of the players, other spectators and the facility. I will realize that any action which threatens this welfare (throwing objects, physical or verbal attacks and game disruptions) will be cause for ejection from the premises. I also realize that I may be denied the privilege of attending future games.

DANCE RULES:

Student dances have become a very popular extracurricular activity at Brecksville-Broadview Heights High School. The dances are an enjoyable fund raising activity for the sponsoring school organizations and they also provide students with an excellent opportunity to meet socially.

In an effort to make these dances a positive experience for all students, the following guidelines will be followed:

1. Students must have emergency medical information on file prior to attending any dance.
2. All school rules are in effect, whether the dance is on school property or not.
3. Once a student leaves the dance he/she is not allowed to return. No money will be refunded.
4. Students are expected to obey the requests of all chaperones, security officers, and other school personnel.
5. Dancing while on someone's shoulders is prohibited. Additionally, "moshing," "break dancing," and similar styles of dancing which encourage pushing, throwing, etc. others are not permissible. Sexually suggestive styles of dancing or "grinding" will not be permitted.
6. Students' behavior should be such as not to endanger or bother other students.
7. Students must be in 9th grade or higher.
8. Students who test positive with the alcohol sensor are subject to the BBHHS Student Code of Conduct which includes possible suspension and expulsion from school. Parents and the Broadview Heights Police Department would be contacted.
9. Students who refuse to test with the alcohol sensor are subject to the insubordination clause of the BBHHS Student Code of

Conduct which may result in suspension from school and they will not be admitted to the dance. Parents will be contacted.

10. **No Guest Affidavits will be accepted at the door of the dance. All affidavits must be submitted prior to the event.** See an administrator if you have any questions.

Anyone violating these rules or the Code of Conduct will be removed from the dance and may be subject to further disciplinary action. All students should provide school identification upon request. Guests from outside our high school must be approved in advance by completing and submitting the appropriate Dance Affidavit form available in the assistant principals' office.

DANCE ATTIRE:

Minimal standard of dress for dances must comply with the school dress code. Fall and Winter Dance attire for students and their guests are shirt and tie for young men and dress or dress slacks for young ladies. Jeans and tennis shoes are prohibited. Formal wear is worn to Prom. Any deviation from these standards would be approved by the administration in advance.

AROUND THE BUILDING

EMERGENCY PROCEDURES:

Fire Drills: When the fire alarm sounds, all building occupants must leave the building in a quiet, orderly, safe manner. Exit directions are posted in each classroom and activity area. One fire drill is conducted each month.

Tornado Drills: Tornado drills are conducted during the months when tornadoes are most likely to occur. Building occupants are to proceed quickly and quietly to their designated safety area and await instructions.

Intruder Drills: Intruder drills will be conducted in accordance with Ohio Revised Code. Building occupants are to proceed quickly and quietly to their designated safety area. This drill may require evacuating the building.

DRIVING TO SCHOOL:

Driving to school and parking in the student lot is a privilege that requires adherence to certain rules and regulations. These rules, as listed below, are stated on the application for the driving permit and are handed to the students when they receive their permits. The student's and parent's signature indicates knowledge of and agreement to comply with these rules and regulations. Application forms are available from the Assistant Principals' Office--the cost of a parking permit for the school year is $100.00. Fees will be prorated quarterly.

As enrollment has increased, the number of students desiring driving permits has outgrown the capacity of our parking lots. Seniors in good standing and Cuyahoga Valley Career Center students will be given first priority. Juniors in good standing who are active in the extracurricular program or who are employed and can produce a current work permit and proof of work schedule immediately after school may be issued a parking permit if space is available. Good standing status is determined by the student's grades, discipline record and fulfillment of all school-related obligations. A limited number of sophomores will be granted parking privileges based on similar standards.

Students who drive to school without proper authorization will not be permitted to park on school grounds, will face disciplinary action, and may have their vehicle subject to towing. Students who need to drive on an occasional basis (doctor's appointment, club meeting, special help from a teacher, etc.) will be able to obtain a one-day pass from the Assistant Principals' Office. Parking in unauthorized areas, reckless or improper operation, or driving an unregistered vehicle will result in disciplinary action that may include adhesive warning stickers affixed to the vehicle, temporary or permanent loss of driving privileges, detention, Saturday school assignment, and/or suspension.

RULES AND REGULATIONS FOR STUDENT DRIVERS:

1. Parking permits are non-transferable. Only a student who is registered and hangs an authorized permit on the rearview mirror will be permitted to park in the designated student lots. All others will be told to leave the grounds and return without the car. Any missed school time will be considered as unexcused. Students who falsify a parking permit will be subject to severe disciplinary consequences. Student cars are not to be parked in any other area of the campus or grounds—including grassy areas. Students who park in the faculty lot will have their parking privileges suspended.
2. The speed limit on school district property is 10 m.p.h. Drive slowly and carefully. Speeding and/or reckless operation of a vehicle will result in disciplinary and/or police action. Driving behind the school is strictly prohibited.
3. Drivers are to park properly, one space per vehicle, between the designated lines. Drivers are not to park in handicapped or in fire lanes.
4. Students should park, lock their vehicles and go directly into the building—loitering in parking lot is prohibited.
5. Students are not permitted to smoke or engage in any disruptive behavior while in vehicles on school grounds.
6. Students are hereby advised that vehicles parked on school grounds are subject to search at any time and may be subjected to random canine search.
7. During the school day, a student is not permitted to return to his/her car unless he/she has a pass from one of the administrators.
8. It becomes the student's responsibility to arrive to school on time. The attendance office will not excuse students who arrive late due to a flat tire, engine trouble, or other transportation related excuses.
9. Give buses the right-of-way. Use extreme caution around school buses.

10. Follow the proper traffic pattern. In the morning, senior students are to follow the new traffic pattern which means staying in the right lane up the hill which will go behind the building to the honors/senior lot. At dismissal, senior and honors lot students are expected to exit the Board of Education driveway. Students must exit in single file order. Crossing the yellow line or doubling up is not permitted. Juniors are expected to park in the junior lot (main lot by stadium). At dismissal, if juniors are turning left on Mill, they must exit the middle school drive. If turning right on Mill at dismissal, juniors must exit the Board of Education drive. Any sophomores granted parking privileges must follow the junior lot directions.
11. Neither Brecksville-Broadview Heights High School nor Brecksville-Broadview Heights City School District will be responsible for any damage or loss incurred while student vehicles are parked in the student parking lots. Lock your vehicle.
12. Violations of these rules and regulations could result in being ticketed, loss of permit, or be towed from campus.

STUDENT DROP-OFF / PICK-UP

Students dropped off in the morning should not be here before 6:45a.m. and should report directly to the cafeteria. After school, students should not be in the building after 3:00p.m. unless under the direct supervision of a teacher or adult advisor.

FINES FOR MISUSE OF SCHOOL PROPERTY:

In accordance with Section 3313.642, Revised Code of the State of Ohio, the following policy is in effect:

A. Students and their parents are liable for payment of loss, damage, or destruction of school apparatus, equipment, musical instruments, library materials, textbooks and school buildings.

B. A fine will be assessed against any pupil to cover the cost of replacement or repair for such loss or damage.

C. Any student who is responsible for the loss or destruction of a textbook will be requested to reimburse the school at the current replacement cost of that textbook. If the textbook has been in use in our district for over five years, the student will be asked to reimburse the district at 50% of the replacement cost.

D. Schedules, grades and credits may be withheld by the principal until the fine is paid.

SERVICE/LEADERSHIP OPPORTUNITIES:

Students are encouraged to work as office aides, media center aides, tutors, participate in fund raising or work in any other way to enhance their school records in service and citizenship. The National Honor Society uses service as a qualification for membership. Colleges ask for records of community service. Begin to accumulate service in the 9th grade. Leadership opportunities exist in serving as officers of a class, club or committee. Get involved!

STUDENT PRIVILEGE AREAS:

Students may use their student ID to access either the Senior Area (room 141) or the Hive (in the Cafeteria) during their regularly scheduled study halls. These privilege areas will be accessible to students who have exhibited responsible behaviors and are in good academic standing.

MEDIA CENTER / LIBRARY:

Hours of Access: 7:10 A.M. TO 3:10 P.M.

If a student needs to use the media center for an extended period after school, arrangements can be made with Mrs. Huston.

Students may use the media center:

* During their study hall time
* With a class when their teacher brings them in
* During their lunch time
* Before and after school

In order to use the media center during study halls or lunch:

Students should report directly to the media center at the beginning of their lunch or study hall period.

Lunch students must eat in the cafeteria before coming to the media center. After eating lunch students may request a pass to the media center.

Students who do not behave in a suitable manner will have library privileges restricted or revoked.

LOCKERS:

Each student is assigned a hallway locker. Students are to use only the locker that has been assigned to them and only the built-in combination lock—**DO NOT SHARE!** Lockers should be kept clean at all times. Leave non-essential valuables at home. Report damaged lockers to the assistant principals' office. Lockers are school property and are under the jurisdiction of school personnel. They are NOT the personal or private property of any individual and carry no expectation of privacy for the students who occupy them.

1. The school is not responsible for any missing property.
2. The administration reserves the right to inspect any locker.

SEARCH AND SEIZURE:

The Board or its designee reserves the right to search the locker, desk, person, and personal property of a student on school grounds, in school vehicles or at any school activity when it is reasonably necessary for the maintenance of order, discipline and safety in the supervision and education of students. At the beginning of the school year, students will be informed that their lockers, desk, persons and personal belongings, including, but not limited to, purse, athletic bags, and articles of clothing in the locker, are subject to search at any time and without warning. Searches will be based upon reasonable suspicion. In determining whether there is reasonable suspicion, the

following factors will be taken into consideration but not limited to: the age, history and school record of the student, the prevalence and seriousness of the problems, the need to avoid delay; and the reliability of the information on which suspicion is based.

The Brecksville-Broadview Heights School District, as part of its overall safety and security program, may from time to time during the school year request law enforcement agencies to assist the district in detecting the presence of illegal drugs and/or weapons in our school. The district and/or law enforcement officials are authorized by the Board to use dogs trained in detecting the presence of drugs or weapons to patrol school facilities, premises, and parking lots. Such patrols may be random in nature.

Any time a dog alerts to a particular vehicle, locker or other container, it will be considered to create reasonable suspicion to search the vehicle, locker or other container in accordance with established procedures. Dogs will not be used to search human beings.

SURVEILLANCE CAMERAS:

Students are duly informed that their behavior may be monitored on school property and/or adjacent property by security cameras.

STUDENT BEHAVIOR FOR SUBSTITUTE TEACHERS:

Substitute teachers are guests in our school. They have a very difficult job to perform and students are expected to give them the utmost respect and cooperation. Students misbehaving for substitute teachers will be disciplined accordingly.

LOST AND FOUND:

When something is lost, an Items Lost or Stolen form should be filled out in the Assistant Principals' Office. The Lost and Found is located in the Attendance Office area. Please turn in items that you have found to that office.

Furthermore, after their arrival at school, students are not permitted to leave and will be considered truant and subject to disciplinary consequences.

ELECTRONIC DEVICES, ETC.:

Because radios, MP3/IPOD/CD players, electronic games, laser pointers, and other such devices have proven to be disruptive to the educational process, students are not permitted to have them in the hallways between classes. Use in classrooms, study hall, or the cafeteria, may be permitted per teacher/supervisor discretion. Because of the inherent danger of illicit use of laser pointers, confiscated items will be returned only to parents and students may be subject to disciplinary consequences. **All electronic devices such as pagers, cellular phones, etc. are to be kept out of sight and "silenced" as to not disrupt instruction. These items may be confiscated by any staff member if found disruptive and returned to the parent—or for 18-year olds, to the student--only after parent contact has been made with an administrator.** Discipline consequences will be issued for the disruption. BBHHS cannot be held responsible for lost or stolen electronic devices—these items should be clearly and securely marked for identification. Items such as laptops and graphing calculators may be permitted if they enhance teaching and learning and facilitate academic work. All electronic devices are subject to search and seizure policies of the district.

The Brecksville-Broadview Heights Board of Education has adopted policies on discrimination and sexual harassment as found in the latter part of this handbook.

RIGHTS AND RESPONSIBILITIES

A student's main goal in school is to get an education. It is the responsibility of the school to provide that education and to prevent anyone from interfering with the achievement of that goal. Most discipline problems in school center around students disrupting others.

Teachers will handle disciplinary offenses through a variety of methods. These include conferences with students, contacting parents, assigning detentions, referral to the office, or any other suitable method they deem appropriate to the situation.

In this handbook are the rules and regulations designed to maintain order and discipline necessary for effective learning and to convey the school's expectations. Students may act, speak, or behave as responsible citizens within a large scope of options. Pupils have a right to reasonable treatment from the school and its employees. The school, in turn, has a right to expect reasonable behavior from students. Freedom carries with it responsibilities for all concerned.

STUDENT RESPONSIBILITIES

Good order and discipline will be achieved best through SELF-DISCIPLINE. Students should strive to:

1. Attend school each day to complete the course of study developed by the student and his/her parents.
2. Report for all scheduled classes promptly with assigned lessons and required materials.
3. Exhibit courtesy at all times to members of the school community.
4. Achieve all that is possible both academically and socially.
5. Treat school property with respect and care as well as the personal property of others. Assist in maintaining the cleanliness of our communities' building.
6. Present themselves according to the appearance code of the system.
7. Maintain high standards of thought, speech, and actions.
8. Respect the authority of all employees of the Brecksville-Broadview Heights City Schools.
9. Use only those facilities and areas designated for student use under teacher supervision.
10. Engage only in activities permitted on school property.

Whenever self-discipline fails, it is necessary for adult staff members to enforce good order and discipline.

Brecksville-Broadview Heights High School and Board of Education have adopted policies regarding violations of the Code of Conduct which they deem violent, disruptive, inappropriate and unacceptable. This code is intended to lessen or eliminate behavioral problems and protect students and teachers from frustrations, interruptions, and loss of time as a result of misconduct. It is important to know that the code applies to all students regardless of age and is in effect throughout the school day and includes school events/activities on or off school property.

Student Privileges

Students who demonstrate responsible behavior, maintain good academic standing, and have acceptable attendance will earn privileges.

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT STUDENT CODE OF CONDUCT

This Code shall serve as a guide to all Brecksville-Broadview Heights City School District students. Violation by a student of any one or more of the rules of the Code of Conduct may result in disciplinary action which may include one or more of the following: warning, verbal reprimand, parental contact, working lunch, detention, Saturday school detention, community service, in-school suspension, referral to legal authorities, emergency removal, suspension, and/or expulsion.

The items in this Code apply to all students when under the authority of school personnel; on school-owned vehicles, during a school activity; whether on property-owned, rented, or maintained by another party. The Cuyahoga Valley Career Center is an extension of our school program; therefore, students who elect to attend the career center are subject to disciplinary action based upon the Student Code of Conduct of either Brecksville-Broadview Heights City School District and/or the Cuyahoga Valley Career Center. Consequently, conduct and/or involvement in any activity that may or does result in disciplinary action by one school may be grounds for disciplinary action by the other school. The items in this Code also apply to misconduct, regardless of where it occurs, that is directed against a District employee or official, or the property of such employee or official.

In the event that a student commits an offense that warrants expulsion, the Superintendent may initiate expulsion proceedings against the student even if the student withdraws from school before the Superintendent has held the hearings or made the decision to expel the student.

EMERGENCY REMOVALS OF STUDENTS

If a student's presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process, the Superintendent, Principal, or Assistant Principal may remove the student from curricular activities or from the premises. A teacher may remove the student from curricular activities under his supervision, but not from the premises. If a teacher makes an emergency removal, the reasons will be submitted to the principal in writing as soon after the removal as practicable. In all cases of normal disciplinary procedures where a student is removed from a curricular or extracurricular activity for less than 24 hours and is not subject to further suspension or expulsion, the due process requirements do not apply.

If the emergency removal exceeds 24 hours, then a due process hearing will be held as soon as possible, but in all cases within 3 school days after the removal is ordered. Written notice of the hearing and the reason for removal and any intended disciplinary action will be given to the student as soon as practicable prior to the hearing. The student will have the opportunity to appear at an informal hearing before the principal, assistant principal, superintendent, or designee, and has the right to challenge the reasons for the intended suspension or otherwise explain his actions. The person who ordered or requested the removal will be present at the hearing, and within 24 hours of the decision to suspend, written notification will be given to the pupil, parent, guardian or custodian of the student, and treasurer of the Board. This notice will include the reasons for the suspension and the right of the student or parent to appeal to the Board's designee.

If the superintendent or principal reinstates a student prior to the hearing for emergency removal, the teacher may request and will be given written reasons for the reinstatement. The teacher cannot refuse to reinstate the student. In an emergency removal, a student can be kept from class until the matter of his misconduct is disposed of either by reinstatement, suspension, or expulsion.

Any appeal to the Board's designee shall follow the procedures of the suspension policy.

Procedural safeguards must be followed for all removals of handicapped students in accordance with the student's individual education program.

TOBACCO/ALCOHOL/DRUG POLICY FOR EXTRACURRICULAR ACTIVITIES AND INTERSCHOLASTIC ATHLETES (ADDENDUM 8-28-97)

STATEMENT OF PHILOSOPHY:

The Board of Education, administrators, athletic department and activity advisors of the Brecksville-Broadview Heights City Schools consider participation in extracurricular activities and interscholastic athletics to be a privilege, not a right. Students are VOLUNTEERING to participate in these programs and are expected to accept the responsibilities granted them by this privilege.

As representatives of our school district, students involved in extracurricular activities and interscholastic athletics are scrutinized by the public, become role models for young children and peers, and are ambassadors to our community. In choosing to accept this role, participants also choose the responsibilities of living a tobacco, alcohol and drug free lifestyle. Although this policy outlines the expectations and consequences required of students choosing to participate in extracurricular activities and interscholastic athletics, the parent(s) or guardian(s) retain the ultimate responsibility of promoting healthy lifestyle choices for their children and are encouraged to work cooperatively with school officials to support these ideals throughout the child's entire educational experience in the Brecksville-Broadview Heights Schools.

In keeping with the philosophy of education, the Board of Education, administrators, athletic department, and activity advisors of Brecksville-Broadview Heights City School District view tobacco, alcohol, and drug use not only as a violation of the law, but as a problematic behavior which has an adverse effect on individuals and the programs in which they are involved. It is the intent, therefore, to support a disciplinary program which encourages students to recognize and deal with the causes for their use through contact with the appropriate agency (C.A.P.A., private counselors, treatment facilities, etc.) rather than being strictly punitive in nature.

This policy will be in effect during the entire calendar year, inclusive of all training, conditioning, practices, or other school related/sponsored activities, and the policy remains in effect 24 hours a day, 7 days a week (24/7—365 days).

TOBACCO AND TOBACCO PRODUCTS, ALCOHOL AND DRUGS

First Violation:

The first-time offender will be denied participation in all extracurricular and/or athletic programs for one full calendar year from the date of violation. If the student agrees to schedule himself/herself into and complete the first available school Insight Program, the term of denial will be up to 20% of the activity time for extracurriculars up to 20% of scheduled competition time for athletes in any sport in which the students participate. Upon completion of the program, the student must be willing to follow the recommendations provided. If no school Insight Program is presently available, the student's parents may choose, at their own expense, to enroll the student in an outside school-approved program. Completion of the program is mandatory.

For a student involved in extracurricular activities, up to 20% of the activity time is imposed from the time the advisor has notified the student of probation. If the offense occurs late in the school year, the denial to participate may, if necessary, be carried over into the next school year's extracurricular participation. The term of denied participation is determined by the building administrator and extracurricular advisor.

For athletes, a full season is defined as including all the contests scheduled for a specific sport. Should the offense occur in mid-season, the denial to participate may, if necessary, be carried over into the next seasonal sport that the athlete wishes to participate. The number of contests to be missed will be determined by the athletic director, building administrator and athlete's coach.

Second Violation:

A second offense during the student's high school career will result in denial of participation in all extracurricular and/or athletic programs for one full calendar year from the date of violation. The second-time offender may reduce that denial to participate to one-half of the school year for extracurriculars or to one full season for athletes after completing a professional assessment and complying with the recommendations made by the assessing agency. The assessing agency must be chosen by agreement between the parents of the student and the school administration with assistance from the CAPA Coordinator.

Violations Beyond a Second Offense:

Additional violations of the alcohol/drug policy past the stipulated number of incidents will result in permanent denial to participate in any extracurricular and/or athletic programs until the offender has successfully completed a treatment program which is acceptable to the building administration and the CAPA Coordinator. The student shall be denied participation for a minimum of one calendar year from the date of violation and must apply for reinstatement in the extracurricular and/or athletic program after completing the treatment program.

Sale and/or Distribution:

Students in violation of selling or distributing alcohol and/or drugs will be dealt with according to the Code of Student Conduct and shall be denied future participation in any extracurricular or athletic program.

2. Self-referrals can be made by the student or by his/her immediate family.

4. Students must make self-referrals to an advisor, coach, athletic director, teacher, administrator, counselor, or the district C.A.P.A. Coordinator.
5. Self-referrals will lead to placement and completion in the schools' Insight Program and/or referral to an approved assessing agency.
6. Those referrals to an assessing agency will remain confidential; however, proper release of information forms must be on file with the designated trained chemical dependency personnel.

DISCIPLINARY/DUE PROCESS EXPLANATION AND PROCEDURES:

2. All students must complete the Insight Program by the end of the school year. Non-compliance will result in underclassmen (freshman, sophomore and junior) being ineligible for further participation in extracurricular or athletics until the Insight Program has been completed. Seniors noncompliant will not be eligible to receive awards and/or recognition for the activity they participated in or the sport they played.
3. At no time is Brecksville-Broadview Heights City School District responsible to incur fees for chemical dependency assessment /treatment/ counseling. Financial responsibility for these recommendations must be incurred by the parent and/or legal guardian.
4. Notification Process: The principal, assistant principal, organization advisor or the athletic director will submit immediate written notification to the parent/guardian and student of disciplinary action.
5. Situations not covered in this policy will be reviewed by the extracurricular advisor, athletic department and the administration with a final decision being made by the building principal.
6. In certain circumstances, advisors of activities, clubs, and organizations may wish to hold an appeals hearing with the building administrator and the C.A.P.A. Coordinator in regard to a student's continued involvement.
7. Students apprehended by law enforcement agencies for use of illegal substances (i.e. alcohol or other drugs) are referred to the C.A.P.A. office year round and must participate in the Insight Program. (8/94)

NETWORK ACCEPTABLE USE AND SAFETY

The Brecksville-Broadview Heights City schools recognize that our students live in a world of increasingly sophisticated technology and greatly enhanced communication. We further recognize that the availability of an ever-present and virtually unlimited

information resource has profound implications for instruction. We therefore believe that it is imperative to provide Internet access to our students and staff.

OVERVIEW

The Acceptable Use and Safety detailed here is designed to articulate the appropriate use of computer networks, including the Internet, in the instructional setting of our schools. This document seeks to set ground rules that will forestall problems that could surface in such an unfettered environment. User compliance with these rules will help ensure a safe and appropriate learning environment.

To this end, the district will employ reasonable technology solutions, including Internet filtering software, to restrict access to objectionable material. Internet access by students will be monitored by staff or software at all times.

NETWORK ACCESS

All students and employees are eligible to access the network resources in our school buildings. Except in cases involving specific class projects, students will not have access to chat rooms, online messaging systems, or other forms of direct electronic communication in school.

Parents who would like their children to be denied access to the Internet in school should notify each child's building principal in writing at the beginning of each school year for which they would like this access to be denied.

Internet privileges may be denied, suspended, or revoked as a consequence of violation of the provisions of this Acceptable Use Policy. Furthermore, Brecksville-Broadview Heights City Schools administrators and staff will cooperate fully with law enforcement officials when there is suspicion that unlawful activity has taken place.
