Stepping Stone Integrated Preschool Philosophy

We integrate a variety of methods and philosophies to maximize a student's potential by working on his/her weaknesses and building on his/her strengths. As we work within our educational setting, we want to ensure, to the greatest extent possible, the student's ability to succeed in the classroom setting.

Our related services in the preschool setting work collaboratively with the classroom teachers. This collaborative effort allows for student introduction, practice and carry-over into the classroom for the skills that are helpful to succeed in the classroom setting.

The Houghton-Mifflin preschool curriculum has been adopted by the Board of Education.

Arrival/Dismissal & Parent transportation:

- Late arrivals and early dismissals must report to the Hilton Office.
- PLEASE WAIT FOR AN ESCORT TO THE PRESCHOOL ONCE YOU HAVE SIGNED IN
- A.M. & P.M. students being transported by a parent will be dropped off and dismissed at the last door on the side of the building (at the end of the awning).
- Please be prompt when picking up your child at dismissal.
- Parents picking up students will be assigned a number and given a card that needs to be displayed in their vehicle so that it can be seen. Your child will be walked to your car, placed in the back seat and strapped in before leaving, to keep the cars moving.
- If you are a parent of a bus rider and need to pick up your child you will need to park and come into the main office and sign your child out.
